8.5 Emergency Motion by Councillor Adam – (This item will be taken as the first item of business on the agenda)

"This Council condemns the total disregard the SNP/Liberal Democrat Administration has for the people of Aberdeen by making excuses rather than clearing the ice from City pavements. Seeks clarification on why people have been trapped in their homes. Seeks information on how many claims for injuries sustained by residents and tourists of the City are expected and the likely outcome of any claim following the Administration's inability to act in accordance with its statutory obligation. Seeks information why so many grit bins across the City were either empty or full of rubbish and to seek assurance from the Political Leadership of this Council that they provide Council with a full operating plan as to how they intend to ensure that this will not happen again and that the plan is published for public reassurance".
