Request for Deputation

Name

Fiona Lindsay – Powis Residents Group.

Committee

Operational Delivery – 29 May 2018.

Agenda Item

9.6 Bedford Avenue Access

The action I wish the Council/Committee to take

We were notified that our suggestion which we put forward to the last CHI Committee meeting of re-opening the St Machar end of Bedford Avenue and installing a “Residents Gate” to allow registered cars in the area only, access out of Powis Circle, Powis Crescent and Bedford Avenue will not be taken forward by the article that was published in yesterday’s Press and Journal.

We'd therefore like to re-submit the deputation we sent to CHI Committee on 9 November 2017 to ask the Operational Delivery Committee to reconsider our suggestion of allowing residents access through the Bedford Road Bus Gate using the “white list” which will allow taxis to go through.

We are also aware that works are intended to start shortly on widening the railway bridge at the top of Bedford Road and that we are going to be severely affected again by having no alternative access out of our area other than to cut through our neighbouring Sunnybank/Froghall streets.

We therefore ask that the committee re-consider allowing us access in and out of the area via the Bedford Road Bus Gate by simply adding the 160+ cars that are in our area to the “white list” which has already been developed and will be used by the taxi's and so will therefore have little cost implications to take forward.

We trust that you will give careful consideration to our request.

Please note that in submitting a deputation your name will be placed in the public domain and recorded in the minute.
