Request for Deputation

Name: Carol Gordon

Committee: Operational Delivery Committee

Agenda Item: 10.8

The action I wish the Council/Committee to take is to vote in agreement to the recommendation within the Operations and Safety Review of the Broad Street Project report to re-instate a controlled crossing at Upperkirkgate / Gallowgate junction.

If this action cannot be achieved I wish the Council/Committee to consider the option to fully pedestrianize the whole area including the removal of buses from Broad Street and the removal of all traffic from Upperkirkgate and Gallowgate from Flourmill Lane to Little John Street. I request this for all Aberdeen City residents living with sensory loss, mobility issues and mental health issues who currently avoid the area for safety reasons.

Please note that in submitting a deputation your name will be placed in the public domain and recorded in the minute.
