Agenda Item 4.1

Good afternoon Steph

GMB are requesting to have a deputation at the Education and Children's Services Committee on the 30th of April.

We wish to be heard on Agenda Item 10.1 Education Behaviour Report. More specifically the demand from GMB that there is a review of ASN provision within schools and whether we are meeting the needs of ASN learners and safeguarding staff at their work. The ask of the committee would be for an instruction to carry out that review

With Regards

David Willis
GMB Convener
