1 Westhill Cycle Path Improvements

The Westhill Cycle Path provides a key link for cyclists between the area for Westhill and the Aberdeen City Centre. The Aberdeen Cycle Forum and the undersigned would like to see the path improved, in particular:

- (1) The narrow section of path near Prime 4 - either a new route must be constructed or the existing path should be brought up to cycling by design standards.
- (2) The required dismount/the need to cross the garage fore court at the 5 mile garage - either a new route must be constructed or a redesign of the through path at this point.
