1	<p><u>Pedestrian Crossing on Scotstown Road</u></p> <p>“We the undersigned petition the Council to put a pedestrian crossing on Scotstown Road to facilitate safe access to Northbound and Southbound bus stops between the Jesmond Road and Parkway section of road.”</p> <p>People from the Collieston side wishing to travel to town, and people from Denmore Park side returning from town have to find suitable nearby means to safely cross the busy road. There is an ever increasing ageing population who need the bus to travel around, and some poor sighted people. The alternatives are unsuitable for the elderly. To use existing crossings means they have to walk the length of Scotstown Rod to traffic lights at Jesmond Drive and then back up the road. The other option is to use a traffic light</p>	<p>(i) to refer the petition to the Communities, Housing and Infrastructure Committee for further consideration; and</p> <p>(ii) to request that the CH&I committee look at carrying out a more extensive survey on the area over a longer period of time.</p>			Emma Parr
