## AUDIT AND PERFORMANCE SYSTEMS COMMITTEE

28 February 2017

### DECLARATION OF INTEREST

David Hughes declared an interest by virtue of his employment with the Shared Internal Audit Service for Aberdeen City and Aberdeenshire Councils and left the meeting before consideration of the following item.

### REVIEW OF INTERNAL AUDITORS

6. The Committee had before it a report by Alex Stephen (Chief Finance Officer, ACHSCP) which considered the appointment of internal auditors for 2017-18.

#### **The report recommended:-**

That the Committee recommend to the IJB that the shared internal audit service used by both Aberdeen City and Aberdeenshire Council provide internal audit services to the IJB.

Alex Stephen advised that as per standing order 8(4) the Committee was required to review internal auditing arrangements. He explained that the report had recommended that the Committee appoint the shared internal auditing service for Aberdeen City and Aberdeenshire Councils as the majority of documents reported to the IJB originated through Aberdeen City Council's auditors rather than NHS Grampian auditors. He noted that if the recommendation was agreed, NHS Grampian's internal auditors would still have a role within the auditing framework but where necessary the IJB and its committees should seek advice from and assign work to the shared Aberdeen City and Aberdeenshire auditing service.

#### **The Committee resolved:-**

To recommend to the IJB that the shared internal audit service used by both Aberdeen City and Aberdeenshire Council provide internal audit services to the IJB.

### EXTERNAL AUDIT STRATEGY REPORT

7. The Committee had before it a report by Alex Stephen that presented the draft external audit strategy to the Audit and Performance Systems Committee for its consideration.

#### **The report recommended:-**

That the Committee approve the approach to external audit as outlined in Appendix A.

## AUDIT AND PERFORMANCE SYSTEMS COMMITTEE

28 February 2017

Andy Shaw (KPMG, External Audit) spoke to the report and advised that the audit strategy followed a standard format but was specific to the IJB and the Partnership. He explained that materiality had been set at 1% of budgeted gross expenditure to reflect the risks associated with Partnership's new body status. He advised that there was a significant risk that management would override controls and noted this risk was in line with International Standards on Auditing (ISA). Mr Shaw provided further information on other areas of audit focus and the wider scope of work; he highlighted key issues for external audit would be how the IJB and the Partnership addressed financial sustainability, financial management and governance and transparency. He concluded by noting that as Director he would be responsible for signing off the Board's annual accounts, and informed the Committee that Natalie Dyce (Manager) and Sam Johnstone (Fieldwork Lead) would provide further support to the IJB.

Thereafter there were questions on the challenges of providing an external auditing service for Scottish IJBs which were supported by two independent bodies; the added complexity for auditing the Aberdeen City IJB due to Bon Accord Care's status as an Aberdeen City Council Arm's Length External Organisation (ALEO) and their position within group accounts; the risks KPMG had identified by virtue of their position as external auditors to both Aberdeen City Council and the IJB; how KPMG would provide a holistic approach to auditing financial sustainability and what steps external auditors across Scotland had taken to ensure a standardised approach to assigning risk; and how external audit would communicate with the Committee if they had identified significant issues which would impact on the IJB's capacity to function.

### **The Committee resolved:-**

To approve the approach to external audit as outlined in Appendix A.

## **TRANSFORMATION UPDATE REPORT**
