The application was before the Committee at its meeting on 14th June 2016. On that date the Committee agreed to defer consideration of the application until the applicant had produced a food safety certificate after which time the Head of Legal and Democratic Services could grant the application under delegated powers if appropriate.

The item has been placed on the agenda because it requires to be determined by 14 August 2016 and the applicant has not yet provided a food safety certificate. Members should therefore note the terms of Section 39 of the Civic Government (S) Act 1982 which states that the committee must refuse the application unless there is produced to them a certificate by the food authority (for the purposes of section 5 of the Food Safety Act 1990) stating that the vehicle, kiosk or moveable stall complies with the requirements of any relevant regulations made under that Act.
