ABERDEEN CITY COUNCIL

LICENSING BOARD

DATE: 25th June 2018

CLERK TO THE LICENSING BOARD Fraser Bell

TITLE OF REPORT: Aberdeen Licensing Board Annual Functions Report 2017/18

REPORT AUTHOR: Jennifer Wilson, Licensing Team Leader

1. PURPOSE OF REPORT

To invite the Licensing Board ("The Board") to approve this Annual Functions Report.

2. RECOMMENDATIONS

That the Board:

- (1) approve this Annual Functions Report and;
- (2) authorise the Clerk to the Board to proceed with the publication of this Annual Functions Report.

3. BACKGROUND

- (1) The Air Weapons and Licensing (Scotland) Act 2015 amended the Licensing (Scotland) Act 2005 (the "2005 Act") to introduce a requirement that Licensing Boards produce and publish annual functions reports and annual financial reports. The Boards annual function report must be prepared and published not later than 3 months after the end of each financial year. This means that the Board's report for the financial year 2017-18 must be published no later than end of June 2018.
- (2) This report should contain a statement explaining how the Board has had regard to the licensing objectives, their licensing policy statement, and any supplementary licensing policy statement in the exercise of their functions during the financial year.

4. HOW THE BOARD EXERCISES ITS FUNCTIONS

- (1) The Licensing (Scotland) Act 2005 as amended ("the Act") sets out regulations for the sale of alcohol and regulations for licensed premises and other premises on which alcohol is sold.

- (2) The Act has five licensing objectives which the Board must have regard to when exercising its functions. These objectives are: -
- (i) Preventing crime and disorder
 - (ii) Securing public safety
 - (iii) Preventing public nuisance
 - (iv) Protecting and improving public health
 - (v) Protecting children and young persons from harm
- (3) The Board deals with all applications in accordance with the legislation, and in particular the five above objections, together with its Statement of Licensing Policy 2013 – 2016 which is based on the objectives.
- (4) The Board has determined all applications in line with the Statement of Licensing Policy. The Board has routinely applied additional conditions on the operation of outdoor drinking areas to ensure minimum disruption to the surrounding area and a condition that restaurants offering a delivery service can only supply alcohol alongside a food delivery. It has also determined all applications for licensed hours in line with the Statement of Licensing Policy.
- (5) The Board has also worked closely with partner agencies including Police Scotland, NHS Grampian, the local licensing forum and Licensing Standards Officers to ensure the satisfactory operation of licensed premises. As a result, problems can be identified and addressed at an early stage and reduces the need for Premises Licence Reviews after the fact.
- (6) The Board has also recognised the need to establish a revised Overprovision Policy in respect of off-sales premises. Accordingly, this area has been prioritised as part of the review of the Statement of Licensing Policy.
- (7) The Board has also devoted considerable time and resources to obtain as much information as possible in connection with the review of the Statement of Licensing Policy as it is aware that is the primary method by which the Board adheres to and promotes the licensing objectives when dealing with licensing applications.

5. SUMMARY OF DECISIONS OVER THE LAST FINANCIAL YEAR

- (1) A Summary of all decision made by the Licensing Board can be found on the Licensing Board's Website at <https://committees.aberdeencity.gov.uk/ieListMeetings.aspx?Committeed=151>

6. THE NUMBER OF LICENCES IN THE BOARDS AREA

- (1) See Appendix 1 – Premises Licences
- (2) See Appendix 2 - Personal Licences
- (3) See Appendix 3 – Occasional Licences

ABERDEEN CITY COUNCIL

LICENSING BOARD

DATE: 25th June 2018

CLERK TO THE LICENSING BOARD Fraser Bell

TITLE OF REPORT: Aberdeen Licensing Board Financial Report 2017/18

1. PURPOSE OF REPORT

To invite the Board to approve the Annual Financial Report set out in Appendix One to this Report.

2. RECOMMENDATION(S)

That the Board

- (1) approve the annual financial report set out in Appendix One and;
- (2) authorise the Clerk to the Board to proceed with the publication of the annual financial report.

3. BACKGROUND

- (1) The Air Weapons and Licensing (Scotland) Act 2015 amended the Licensing (Scotland) Act 2005 (the “2005 Act”) to introduce a requirement that Licensing Boards produce and publish annual functions reports and annual financial reports. The Boards annual financial report must be prepared and published not later than 3 months after the end of each financial year. This means that the Board’s report for the financial year 2017-18 must be published no later than end of June 2018.
- (2) The financial report must include-
 - (a) a statement of-
 - (i) the amount of relevant income received by the Licensing Board during the financial year, and
 - (ii) the amount of relevant expenditure incurred in respect of the Board’s area during the year, and
 - (b) an explanation of how the amounts in the statement were calculated.

- (3) In this context, “relevant income” means income received by the Board in connection with the exercise of the Board’s functions under or by virtue of the 2005 Act. This involves totaling all the fee income generated by 2005 Act licence applications received during the financial year.
- (4) “Relevant expenditure” means any expenditure-
 - (a) which is attributable to the exercise of the Board’s functions under or by virtue of the 2005 Act, and;
 - (b) which is incurred by the Board, the Council or the Licensing Standards Officers for the Board’s area.
- (5) Calculation of relevant expenditure is more complicated to determine and requires the figures to be calculated upon estimates of the direct time spent by Legal Service staff as well as all costs in connection with the Licensing function to include central support costs and outlays. It is also worth noting that the Licensing Board income is not guaranteed to remain the same in any financial year and can vary significantly depending on the number and type of applications received. Also, in the event of any appeal against a Board decision, the cost of any appeal would require to be met from the Licensing Board income.
