Agenda Item 1

You must consider at the earliest stage possible whether you have an interest to declare in relation to any matter which is to be considered. You should consider whether reports for meetings raise any issue of declaration of interest. Your declaration of interest must be made under the standing item on the agenda, however if you do identify the need for a declaration of interest only when a particular matter is being discussed then you must declare the interest as soon as you realise it is necessary. The following wording may be helpful for you in making your declaration.

I declare an interest in item (x) for the following reasons

For example, I know the applicant / I am a member of the Board of X / I am employed by...
and I will therefore withdraw from the meeting room during any discussion and voting on that item.

OR

I have considered whether I require to declare an interest in item (x) for the following reasons however, having applied the objective test, I consider that my interest is so remote / insignificant that it does not require me to remove myself from consideration of the item.

OR

I declare an interest in item (x) for the following reasons however I consider that a specific exclusion applies as my interest is as a member of xxxx, which is

- (a) a devolved public body as defined in Schedule 3 to the Act;
- (b) a public body established by enactment or in pursuance of statutory powers or by the authority of statute or a statutory scheme;
- (c) a body with whom there is in force an agreement which has been made in pursuance of Section 19 of the Enterprise and New Towns (Scotland) Act 1990 by Scottish Enterprise or Highlands and Islands Enterprise for the discharge by that body of any of the functions of Scottish Enterprise or, as the case may be, Highlands and Islands Enterprise; or
- (d) a body being a company:-
 - i. established wholly or mainly for the purpose of providing services to the Councillor's local authority; and
 - ii. which has entered into a contractual arrangement with that local authority for the supply of goods and/or services to that local authority.

OR

I declare an interest in item (x) for the following reasons.....and although the body is covered by a specific exclusion, the matter before the Committee is one that is quasi-judicial / regulatory in nature where the body I am a member of:

- is applying for a licence, a consent or an approval
- is making an objection or representation
- has a material interest concerning a licence consent or approval
- is the subject of a statutory order of a regulatory nature made or proposed to be made by the local authority.... and I will therefore withdraw from the meeting room during any discussion and voting on that item.

REPORT AUTHOR	Karen Finch
TERMS OF REFERENCE	12

1. PURPOSE OF REPORT

To present the responses received during the second phase of public consultation and the final version of the Scheme for the Establishment of Community Councils including boundary changes for various Community Councils for formal adoption.

2. RECOMMENDATION(S)

That the Council:

- 2.1 adopt the Scheme and associated documents as set out in Appendices 1-6 to the report;
- 2.2 adopt the change to Community Council boundaries which had received agreement with neighbouring Community Councils as outlined in Appendix 7 to the report;
- 2.3 adopt proposal 1 for the boundary change between Bucksburn and Newhills and Dyce and Stoneywood Community Councils as outlined in section 3.6 of the report;
- 2.4 adopt proposal 1 for the boundary change between City Centre and Ferryhill and Ruthrieston Community Councils as outlined in section 3.7 of the report;
- 2.5 note the content of the consultation responses and resulting actions as outlined in Appendix 8 to the report;
- 2.6 approve the issue of a public notice notifying members of the public that the Scheme and associated documents have been adopted; and
- 2.7 note that the Scheme would come into effect just prior to the Community Council Triennial Elections due to be held in October 2018.

3. BACKGROUND

Review of the Scheme for the Establishment of Community Councils

- 3.1 The Scheme and associated documents have been updated to provide a clearer structure to assist Community Councils in undertaking their duties. The Scheme and associated documents are attached as appendices 1 to 5 to the report.
- 3.2 The Local Government (Scotland) Act 1973 has provision for amending the Scheme and states that any proposals are required to be issued for public consultation. The Good Practice Guide issued by the Scottish Government indicates that two periods of 8 weeks consultation are required with a further 4 week period of notification.

Complaints Procedure

- 3.3 The purpose of the Complaints Procedure is to enable Community Councils to manage complaints in a fair and consistent manner. It is proposed that the Community Council Liaison Officer will monitor the nature of the complaints to identify any trends that could be addressed by training.
- 3.4 The Minister for Local Government and Housing wrote to all Local Authorities in January 2017 requesting that when they were reviewing their Scheme, that they consider implementing a robust complaints procedure.
- 3.5 The Complaints Procedure and Guidance for Community Councils is attached at Appendix 6 to the report.

Boundary Proposals

- 3.5 Appendix 7 to the report outlines the changes to Community Council boundaries which had received agreement from neighbouring Community Councils and it is recommended that these are adopted.
- 3.6 In the report presented to Council on 5 March 2018, two proposals for the boundary between Bucksburn and Newhills and Dyce and Stoneywood Community Councils were presented. It was agreed that targeted consultation take place to seek the views of residents in both areas.
- 3.6.1 Proposal 1 was to include adding an area of Dyce Drive to Wellheads Drive Junction, along the road until Market Street. Using Stoneywood Road as the new boundary back down to the original boundary.
- 3.6.2 Proposal 2 was to add the area from midway along Greenburn Drive, following the weir to the west of Newhills Bowling Club, up behind the houses on the west side of Waterton Road, along Waterton Road to where it meets the railway line. Following the railway line to the point just east of Greenburn Drive and continuing onto Stoneywood Road and down to the junction with Bankhead Road.

- 3.6.3 Based on the results of the consultation, proposal 1 was the preferred option by the residents in both Bucksburn and in Dyce therefore it is recommended that proposal 1 is adopted.
- 3.7 In the report presented to Council on 5 March 2018, two proposals for the boundary between the City Centre and Ferryhill and Ruthrieston Community Councils were presented. It was agreed that targeted consultation take place to seek the views of residents in both areas.
- 3.7.1 Proposal 1 was to extend the boundary down Holburn Street to Willowbank Road, Springbank Terrace and across to Market Street. Taking in Union Square and Guild Street and up Marischal street to meet the existing boundary on Union Street.
- 3.7.2 Proposal 2 was to include from Union Street, go along Holburn Street to the junction with Justice Mill Lane, continue onto Langstane Place, down onto Windmill Brae, continue down Bridge Street onto College Street to the junction with Wellington Place, across the railway line to Market Street. This would take in the Union Square area and the other side of Union Street.
- 3.7.3 During the consultation only 3 responses were received, one from the City Centre Community Council and two from residents within the current Ferryhill and Ruthrieston Community Council boundary. Based on the responses it is recommended that proposal 1 is adopted.

Consultation Responses

- 3.8 The second phase of public consultation on the Scheme, boundary proposals and associated documents commenced on 16 March and ended on 11 May 2018. During this time four responses had been received via email.
- 3.9 Targeted public engagement sessions were held in Ferryhill, the City Centre, Bucksburn and Dyce to seek the views of residents on the boundary proposals for the Community Councils in those areas.
- 3.10 The full list of consultation responses and the proposed actions have been included in Appendix 8.

4. FINANCIAL IMPLICATIONS

- 4.1 The cost of notifying the public of the adoption of the Scheme in the local press can be met from within the existing approved Community Council Advertising budget therefore there would be no additional financial implications for the Council.
- 4.2 In 2014, The Electoral Registration and Administration Act 2013 was enacted which changed the process for registering to vote to Individual Electoral Registration, which has resulted in a reduction in the number of students registered to vote at an address in Aberdeen during the term of their studies.

This has resulted in a significant reduction in funding for those Community Councils with a high student population. If the grant formula is not amended, then some Community Councils will face a continued reduction in funding which could reduce the functionality of the work of the Community Council.

- 4.3 The formula for calculating Community Council grants has been amended to ensure the distribution of funds is fairer and based on the Head of Population rather than the Electoral figures. The projected figures for the 2018/19 grant allocation can be met from within the Community Council Grants budget therefore there would be no additional financial implications for the Council.

5. LEGAL IMPLICATIONS

- 5.1 The Local Government (Scotland) Act 1994 (section 22) outlines the process for amending the Local Authority Scheme for the Establishment of Community Councils. Local Authorities after considering any representations made at the initial consultation stage, may, after giving public notice of the amendments to the proposals and a further invitation to make representations, amend the Scheme to take account of those representations and adopt it.

6. MANAGEMENT OF RISK

	Risk	Low (L), Medium (M), High (H)	Mitigation
Financial	Community Councils are required to undertake a variety of tasks including communicating with their communities. The annual grant that the Council provides enables them to fulfil their duties. If the grant formula is not amended, then some Community Councils will face a continued reduction in funding which could reduce the functionality of the work of the Community Council resulting in local communities not being engaged or able to contribute effectively to local decision making.	L	To ensure Community Councils can continue to function and contribute effectively to decision making, the funding formula should be amended.

Legal	To ensure the Council complies with the provisions within the Local Government (Scotland) Act 1994 (section 22), the Council is required to notify the public on the adoption of the Scheme therefore failure to do so would be a risk to the Council.	L	That a notice is issued notifying the public that the Scheme and associated documents have been formally adopted.
Employee	None		
Customer	The Council is required to notify members of the public on any major proposal that would affect the operation of Community Councils in Aberdeen. If the formal adoption process is not advertised this may have a negative impact on the working relationship between the Council and the Community Councils which in turn would affect the citizens of Aberdeen.	L	To actively promote the adoption of the Scheme would be beneficial to the Council to enable the engagement and participation in the democratic process with members of the public.

Introduction

Community Councils were first established in Scotland following the Local Government (Scotland) Act 1973. Thereafter, the Local Government etc. (Scotland) Act, 1994, which produced the current system of unitary local authorities, made provision for the continuation of Community Councils. Under the legislation, every local community in Scotland is entitled to petition their local authority to establish a Community Council in their area.

Community Councils are voluntary bodies which exist within a statutory framework and which have been granted statutory rights of consultation.

The general purpose of a Community Council shall be to ascertain, co-ordinate and express to the local authorities for its area, and to public authorities, the views of the community which it represents, in relation to matters for which those authorities are responsible, and to take such action in the interests of that community as appears to it to be expedient and practicable.

They can complement the role of the local authority although they are not part of local government.

The Scheme will come into operation from 25 October 2018 when the new term for Community Councils begins in Aberdeen City. The Scheme will be subject to review periodically prior to each new term.

1. Statutory Purposes

The statutory purposes of Community Councils established under the Scheme are set out in Section 51 (2) of the Local Government (Scotland) Act 1973, as follows:-

In addition to any other purpose which a Community Council may pursue, the general purpose of a Community Council shall be to ascertain, co-ordinate and express to the local authorities for its area, and to public authorities, the views of the community which it represents, in relation to matters for which those authorities are responsible, and to take such action in the interests of that community as appears to it to be expedient and practicable.

2. Establishment of Community Councils

2.1 Areas

2.1.1 Aberdeen City Council has produced list of community council areas including a full written description. These are available as a separate document. Maps which outline their boundaries can be requested by contacting the Community Council Liaison Officer at communitycouncils@aberdeencity.gov.uk

2.2 Existing Community Councils

2.2.1 Aberdeen City Council shall organise elections for all Community Councils in October every three years.

2.3 Where no Community Council exists

2.3.1 To establish a new Community Council, an application submitted by 20 residents, who are on the electoral register for that area must be submitted to the Community Council Liaison Officer. On receipt of the application form, Aberdeen City Council shall arrange an election for that area.

3. Role and Responsibilities

The general purpose of Community Councils is to act as a voice for their local area.

This will involve them articulating the views and concerns of local people in their area on a wide range of issues of public concern and make representations to the Local Authority, other public sector bodies and private agencies on matters within their sphere of interest.

Community Councils should have in place mechanisms to encourage public involvement and feedback to secure greatest possible involvement from all sectors of the community which may include consultations, questionnaires, public meetings and effective means to publicise the determinations of the community council.

3.1 Role

- 3.1.1 Community Councils have a statutory right to be consulted on planning applications and licensing applications.
- 3.1.2 Community Councils are a type of community participation body as defined under the Community Empowerment Act 2015. They have the authority to make participation requests to a public service authority to permit them to participate in an outcome improvement process.
- 3.1.3 Community Councils should develop robust and effective working relationships with the City Council and other agencies.
- 3.1.4 Community Councils may be consulted on any other matters by the Local Authority, Community Planning Partnership and other public sector and private agencies.
- 3.1.5 Community Councils may carry out other activities that are in the general interests of the communities they represent, provided those activities fall within the objectives of their Constitution and the terms of the Scheme for the Establishment of Community Council.
- 3.1.6 In the case of complex planning applications, it may be impractical for Community Councils to perform a full consultation affecting the whole community where the proposal might benefit from a formal consultation, collate the feedback and lodge a meaningful representation within the timescales allowed. In this case Community Councils may lodge representations based on material considerations affecting the interests of their community provided they have also advertised the application in their community and encouraged members of the community to make their own representations.
- 3.1.7 In carrying out their activities Community Councils must at all times comply with their statutory duties; the terms of the Scheme; Constitution; Standing Orders; and the Community Councillors' Code of Conduct.
- 3.1.8 Each Community Council is required to adopt a Constitution, Standing Orders and the Code of Conduct. The Community Councils Constitution is required to be approved by the Local Authority. The purpose of these documents is to:
- encourage and maintain consistency for all Community Councils,
 - facilitate properly structured and regulated proceedings, and
 - ensure that items of business relevant to the community are properly debated and decisions are reached in a democratic manner.

3.2 Responsibilities

Community Councils have a duty under statute to represent the views of their local community. It is vital therefore, that they reflect the broad spectrum of opinion and interests the community.

In order to fulfil their responsibilities and in being effective and representative, Community Councils shall:

- 3.2.1 Inform the community of the work and decisions of the Community Council by posting agendas and minutes of meetings in public places, such as libraries, notice boards and online, subject to the provisions contained within the General Data Protection Regulation (GDPR) which will apply from 25 May 2018.
- 3.2.2 Provide publicly available contact information such as names, addresses, telephone numbers, email addresses and website links to enable members of the public to contact them.
- 3.2.3 Allow members of the public to attend all meetings of the Community Council and ensure they have the opportunity to address the Community Council.
- 3.2.4 Send agendas and draft minutes of Community Council meetings to Community Council members, the Community Council Liaison Officer and to relevant elected members and other interested parties.
- 3.2.5 Have in place consultative mechanisms to encourage public involvement to secure greatest possible involvement from all sectors of the community it represents. This could be in form of consultations, questionnaires, public meetings and providing information to the community.
- 3.2.6 Seek to broaden both representation and expertise by promoting the Associate Membership of the Community Council of persons for specific projects/issues.
- 3.2.7 Make particular efforts to encourage young people and other under-represented groups to attend/participate in Community Council meetings and to ensure equality of opportunity in the way the Community Council carries out its functions.
- 3.2.8 Maintain proper financial records and present financial reports at Community Council meetings.
- 3.2.9 Inform the Community Council Liaison Officer of any change in membership (resignations, associate members) and circumstances, as soon as is practicable.

4. Membership of Community Councils

- 4.1 There shall be a minimum and maximum membership number of elected Community Councillors in a Community Council.
- 4.2 The minimum age to stand for election as a Community Councillor is 16 years of age.
- 4.3 Qualification for membership is by residency within the specific Community Council area.
- 4.4 Community Council candidates for membership must be named on the current electoral register for the Community Council area in which they reside as a local government elector.
- 4.5 There shall be provision made for non-voting Associate Membership for purposes as defined by each Community Council.
- 4.6 No elected member of Aberdeen City Council shall be eligible to be a member of a Community Council. If a member of a Community Council is so elected, they will be deemed to have resigned from the Community Council the day after the result of the Local Government election is declared.

Introduction

Community Councils should aim to represent all people in the area without prejudice and be non-party political and non-sectarian. Any person 16 years or over and resident in the Community Council area, can be nominated to join their local Community Council.

Community Councils are regularly consulted by the local authority and public bodies on a wide range of issues which affect their area, such as planning, environment and health. All Community Council meetings are open to the public.

From time to time, complaints may be made about Community Councils and individually against Community Councillors.

Community Councils should adhere to the Code of Conduct as detailed in the Aberdeen City Council Scheme of Establishment for Community Councils.

If you are dissatisfied or have concerns about a standard of service, actions or lack of action provided by your Community Council or one or more of its members, these can be reported through the Community Council Complaints Procedure.

Please note that Aberdeen City Council have a separate Complaints Handling Procedure to record and manage complaints by members of the public in relation to Council Services and/or Officers of the Council and this should not be confused with the Community Council Complaints Procedure. You can find information relating to complaints by going to <https://www.aberdeencity.gov.uk/index.php/services/have-your-say/make-complaint>

This Procedure is for making complaints against Community Councils or its members and can be used by members of the public, Community Councillors or elected members.

What is a Community Council complaint?

A Community Council complaint is an expression of dissatisfaction or concern relating to the actions of a Community Council or its members. This may be about the conduct, standard of service, actions or lack of action by a Community Council or its members.

Who can complain?

Anyone who is affected by a Community Council can make a complaint. Sometimes you may be unable or reluctant to make a complaint on your own. We will accept complaints brought by third parties as long as you have given personal consent.

If you are under 16 and wish to complain, you may contact us yourself or if you would prefer, you can ask a trusted adult such as a parent, older sibling or a guardian to contact us for you.

If you believe yourself to be a vulnerable adult, you may contact us directly or if you would prefer, you can ask someone you trust to contact us on your behalf.

Anonymous Complaints will not be accepted.

What can I complain about?

You can complain about things such as:

- Treatment by, or attitude of, a Community Councillor when dealing with a Community Council issue;
- Breaches to the Aberdeen City Council Scheme for the Establishment of Community Councils;
- Financial irregularities or fraud;
- Breaches in confidentiality;
- Misuse of social media, email or letters for the purpose of personal and/or financial gain; or
- Bringing the Community Council into disrepute.

What can't I complain about?

There are some things Community Councils can't deal with, these being:

- Decisions of Aberdeen City Council;
- Complaints regarding Aberdeen City Council services or officers
- A request for compensation on a decision the Community Council has made

How do I complain?

You can complain by email or in writing to the Secretary of the Community Council or in person to the Chairperson of the Community Council.

- Your full name, address and email address (if applicable)
- As much detail as you can about the complaint
- How you would like us to resolve the issue

How long do I have to make a complaint?

You must make your complaint within 6 months of the incident you want to complain about.

It is expected that most complaints will be submitted immediately or within two to three months from the date of the incident. In exceptional circumstances, we may be able to accept a complaint after the time limit. If you feel that the six month time limit should not apply to your complaint, please tell us why by contacting us.

What happens when I have complained?

Our complaint procedure provides two opportunities to resolve complaints:

Stage 1 – Frontline Resolution

Stage 2 – Investigation by Panel

These have been outlined below.

Stage 1 – Frontline Resolution

We aim to resolve complaints quickly by the Community Council. This could mean an explanation or where appropriate an apology if something has clearly gone wrong. In such circumstances, steps will be taken to prevent such a problem re-occurring.

Process

1. The complaint should be made in writing to the Secretary of the Community Council or in person to the Chairperson.
2. The Secretary will pass the complaint to the Chairperson, or another appropriate officer bearer (if the complaint relates to the Chairperson).
3. The Chairperson will determine whether to uphold or not uphold the complaint and send a response to the complainant within five working days.
4. Where the Chairperson determines that the complaint is not upheld the matter will be noted and no further action will be taken other than providing a response to the complainant.
5. Where the Chairperson determines that the complaint is upheld, appropriate action will be taken to address and resolve the complaint. This could be an explanation of the circumstances or where appropriate an apology or referral to stage 2.
6. If your complaint is more complex and requires a more detailed investigation it will be escalated to stage 2 of the complaints process. If we do this, we will notify you within five working days.
7. If you are unhappy with the frontline resolution response you can ask us to consider your complaint at stage 2 by contacting the Community Council or the Community Council Liaison Officer.

Stage 2 – Investigation by Panel

Stage 2 deals with two types of complaints:

- those that have not been resolved at frontline resolution; and
- those that are complex and require a detailed investigation from the outset.

Stage 2 investigations will be referred to a Panel of Community Councillors from within the pool of members. The Panel will consist of five members who will have been trained in basic mediation and conflict resolution.

Process

1. The Panel Chair will acknowledge receipt of the complaint in writing within five working days.
2. On receipt of all paperwork in relation to the complaint, the Panel will determine whether further interviews are required or if a decision can be made using the information before them.

If Further Information is Required

1. The Panel will arrange to meet with you to discuss your concerns and to review any evidence provided. Questions at this time shall be for clarification purposes and notes will be taken by the Panel Members.
2. Where the subject of the complaint relates to a Community Council's actions or decisions, the Panel will meet with the Office Bearers of the Community Council to discuss the complaint and to give them the opportunity to put forward their position and to answer any questions.
3. Where the subject of the complaint relates to the behaviour of a Community Councillor, the Panel will meet with the individual concerned to explain the nature of the complaint and to seek their position in relation to the complaint.

Outcome

Introduction

However much you strive to avoid complaints being made about your Community Council or Community Councillors, there may be occasions when complaints are made based on decisions you have taken, in connection with matters you have not taken any action on or regarding the conduct of your Community Council or Community Councillors.

This complaints procedure has been developed at the request of a number of Community Councils and has been facilitated by the Community Council Liaison Officer of Aberdeen City Council. The Minister for Local Government and Housing wrote to all Local Authorities in 2016 requesting that they consider implementing a complaints procedure for Community Councils.

On most occasions a swift apology or explanation will be enough but sometimes a detailed investigation will be required. This guidance document explains the process for dealing with complaints at Stage 1 – Frontline Resolution and at Stage 2 – Investigation by Panel.

Basic training on Mediation and Conflict Resolution will be given to individual Community Councillors to help you deal with complaints that may occur. This will be a requirement to enable Community Councillors to sit on the Investigation Panel for Stage 2 complaints.

Stage 1 – Frontline Resolution

Complaint Received

Procedure

1. The complaint should be made in writing to the Secretary of the Community Council or in person to the Chairperson.
2. The Secretary will pass the complaint to the Chairperson or another appropriate officer bearer (if the complaint relates to the Chairperson).
3. The Chairperson will determine whether to uphold or not uphold the complaint and send a response to the complainer within five working days.
4. Where the Chairperson determines that the complaint is not upheld the matter will be noted and no further action will be taken other than providing a response to the complainant.
5. Where the Chairperson determines that the complaint is upheld, appropriate action will be taken to address and resolve the complaint. This could be an explanation of the circumstances or where appropriate an apology or referral to stage 2.
6. All decisions should be notified to the Community Council Liaison Officer.
7. Where the complaint has been referred to Stage 2, the Community Council Liaison Officer will make arrangements for a Panel to be convened and for the relevant paperwork to be shared with the Panel members.
8. Where required, the Community Council Liaison Officer can provide advice based on the content of the Scheme for the Establishment of Community Councils.

Stage 2 – Investigation by Panel

If the complaint has been referred from Stage 1, the Community Council Liaison Officer will have received the paperwork in relation to the complaint and will organise for a Panel of five members, from within the pool of members, to be convened to deal with the complaint.

The Panel will not have members from Community Councils with adjacent boundaries to the Community Council that the complaint is about.

Where the complaint is from one Community Council against another, members of that Community Council will not sit on the Panel.

If the complaint has been referred from Stage 1 by the Community Council the complainant will have been notified in writing of that decision.

If after receiving the decision of the Community Council at Stage 1, the complainant is still not satisfied, they can write to the Community Council or Community Council Liaison Officer asking that the complaint be referred to Stage 2.

Procedure

1. The members of the Panel will agree on the Chair for the Investigation
2. The Panel Chair will acknowledge receipt of the complaint in writing within five working days.
3. On receipt of the paperwork in relation to the complaint, the Panel will determine whether further interviews are required or if a decision can be made using the information before them.
4. All investigation meetings will be held in private.

Further Information Required

1. The Panel will arrange to meet the complainant to discuss their concerns and to review any evidence provided. Questions at this time shall be for clarification purposes and notes will be taken by the Panel Members.
2. Where the complaint is about a Community Council's actions or decisions, the Panel will meet with the Office Bearers of the Community Council to discuss the complaint and to give them the opportunity to put forward their position and to answer any questions.
3. Where the complaint is about a Community Councillor, the Panel will meet with them to explain the nature of the complaint and to seek their position in relation to the complaint. The Community Councillor can be accompanied to the meeting by a friend or another Community Councillor to support them.

Any person accompanying a Community Councillor will not be allowed to address the Panel but can offer advice or assistance to the Community Councillor.

No Further Information Required

Where the Panel agree that a decision can be made using the evidence before them based on the written submissions provided they will make a decision.

When the Investigation Process is Complete

1. The Panel will meet to determine the outcome of the investigation. They will decide to either uphold or not uphold the complaint and what sanctions if any should be applied.
2. The decision of the Panel will be communicated to the Community Council or the individual Community Councillor by Recorded Delivery letter.
3. Where the subject of the complaint relates to a Community Council, the Panel can make the following decisions:
 - Guidance to be given in relation to the matter
 - Mentoring offered, where appropriate
 - Training given, where appropriate
 - Censure of behaviour and a written warning to behave in accordance with the Code of Conduct contained in the Scheme for the Establishment of Community Councils
4. Where the subject of the complaint relates to a Community Councillor's behaviour or actions, the Panel can make the following decisions:

 - Censure of behaviour and a written warning to behave in accordance with the Code of Conduct contained in the Scheme for the Establishment of Community Councils
 - Suspension from Community Council meetings and activities for a period of time, up to a maximum of six months, to be agreed by the majority of the Panel

In serious cases only (Criminal Offences)

- Request by the majority of the Panel that the Community Councillor resign from the Community Council
- To remove the Community Councillor with immediate effect by unanimous decision of the Panel

Following the Decision of the Panel

1. The decision of the Panel is final
2. The complainant will be notified in writing within 30 days of receiving the initial complaint, of the decision of the Panel (unless prior notification has been given that the complaint will take longer to resolve)
3. The Community Council Liaison Officer will be notified in order for them to action the sanction as agreed by the Panel.
4. The Community Council Liaison Officer will monitor the complaints to enable them to identify common complaints and to implement training where required.

Appendix 8 - Responses received as part of the second public consultation exercise

Respondent	Comments	Response/ Action Taken
Resident from Ferryhill and Ruthrieston Area	I think that Willowbank Road is a more suitable boundary for the city centre community council	Recommendation to Council is to adopt proposal 1 – extend the City Centre boundary down to Willowbank Road.
Resident from Ferryhill and Ruthrieston Area	<p>Unfortunately I was unable to attend the meetings regarding the Ferryhill and Ruthrieston CC and the City Centre CC consultation. However, I was wanting to express my preference to option one being proposed. I have previously tried to stand for Ferryhill and Ruthrieston Community Council, however unfortunately it was unable to be formed.</p> <p>However, I have always felt that Ferryhill is divided with those in the south of the community having very much different concerns and issues to those nearer the city centre. That is why I would prefer that the 1st option being proposed is adopted as many of the issues faced by those like myself in Springbank Street are shared with other residents in the city centre. All the facilities I use are in the city centre and therefore it would be good to be able to be part of an active community council</p>	Recommendation to Council is to adopt proposal 1 - extend the City Centre boundary down to Willowbank Road.
City Centre Community Council	<p>The City Centre Community Council would like to note that we feel that proposal 1 which extends the boundary down to Willowbank Road would be our preferred proposal.</p> <p>This is due to a number of comments over the year from residents within that area that have stated they feel more part of the city centre than Ferryhill.</p>	Recommendation to Council is to adopt proposal 1 - extend the City Centre boundary down to Willowbank Road.

<p>Dyce and Stoneywood Community Council</p>	<p>We support the revised proposals for establishing community councils and the complaints procedure.</p> <p>We support the proposed revised boundary between Dyce and Stoneywood CC and Bucksburn and Newhills CC. This is in accord with the views of some residents of 'old Stoneywood' but will allow DSCC to continue to serve residents living to the east of the railway line.</p> <p>We do not agree with the proposed name change to Dyce Community Council, given that we will still represent much of Stoneywood and we propose that our name is not changed.</p>	<p>Recommendation to Council is to adopt proposal 1, extending the boundary to take the AECC, Market Street and down Stoneywood Road into the Bucksburn and Newhills CC.</p> <p>The name of the Community Council will not be changed, this was removed as a proposal during stage 1 consultation.</p>

Public Consultation Exercise – Ferryhill Community Centre 29 March 2018

No-one attended the public consultation session

Public Consultation Exercise – Town House – 11 April 2018

No-one attended the public consultation session

Public Consultation Exercise – Beacon Centre – 20 April 2018

The event was held during a time when the Community Café was running with attendees from parents waiting for their children, members of other groups who use the Beacon Centre and local residents.

The questions and responses were as follows:

Question	(Bucksburn)	(Dyce)	No Preference	Bucksburn	Kingswells
In relation to the new build Exhibition Centre site (the old Rowett Institute site) do you feel this is part of the Bucksburn area of the City or the Dyce area of the City?	19	0	4		
Looking at the map, do you feel that the area of Stoneywood (the part that takes in Crossgates and Waterton Road) is part of the Bucksburn area of the City or the Dyce area of the City?	19	0	4		
Thinking of Brimmond Hill, would you say this was part of the Bucksburn area of the City or the Kingswells area of the City?			2	17	4

Additional Comments received:

- The AECC once complete will impact residents of Bucksburn more than Dyce
- Residents from Bucksburn may be impacted by people attending the AECC and trying to park in the surrounding streets
- The Bankhead area has always been known as being in Bucksburn
- Makes sense to have a clear boundary line, following roads rather than having bits jutting out.

Public Consultation Exercise – Dyce Community Centre – 24 April

The event was held at the Community Centre during the day which was busy with parents dropping off/collecting children from school and nursery. There was also a local group using the centre from 1pm for their weekly game of whist who were mainly local residents within Dyce.

The questions and responses were as follows:

Question	(Bucksburn)	(Dyce)	No Preference
In relation to the new build Exhibition Centre site (the old Rowett Institute site) do you feel this is part of the Dyce area of the City or the Bucksburn area of the City?	14	1	2
Looking at the map, do you feel that the area of Stoneywood (the part that takes in Crossgates and Waterton Road) is part of the Dyce area of the City or the Bucksburn area of the City?	13	2	2

Additional Comments received:

- Stoneywood area in my opinion is definitely part of Bucksburn and not Dyce
- The new AECC I think would be Dyce however the area of Stoneywood as on the map should be within Bucksburn
- Polo Gardens and the new development at Stoneywood should be within Dyce with the other side of Stoneywood Road being within Bucksburn.

- The AECC in my opinion should be within Bucksburn as I don't think that I will be impacted to the same level as residents within Bucksburn. The noise, travel to and from the venue would be more of an issue to folk in Bucksburn.

Based on the outcome of the Public Consultation events in Bucksburn and Dyce, the recommendation to Council is to adopt proposal 1, extending the boundary to take the AECC, Market Street and down Stonewood Road into the Bucksburn and Newhills Community Council. Proposal 1 also extends the boundary to the west side to encompass Brimmond Hill and the surrounding area.
