NOTICES OF MOTION

10(a) Councillor Duncan

Fast Track Cities

“Council notes that Fast Track Cities is a global partnership and initiative, focusing on developing a network of cities pledged to achieve the commitments in the Paris Declaration on HIV prevention, diagnosis and treatment; that Glasgow City Council signed up to be a fast track city at the end of 2018 and the aim is to have all 7 Scottish cities signed up, making Scotland the first country in the world to have all cities signed up to the Fast Track Cities initiative by signing the Paris Declaration.

The Paris Declaration commitments are:

(a) 90-90-90 targets:

- To ensure that 90% of people living with HIV know their status
- To improve access to antiretroviral treatment for people living with HIV to 90%
- To increase the proportion of people living with HIV on ART with an undetectable viral load to at least 90%; and

(b) To reduce stigma and discrimination related to HIV to zero with long term goals by 2030:

- Zero new HIV transmissions
- Zero HIV-related deaths
- Zero HIV-related stigma

Council welcomes the fact Aberdeen City meets the 90-90-90 targets already but acknowledges that there is more work to do to reach the 2030 goals and reduce stigma and notes that there are issues in Aberdeen in particular with reducing the incidence of late diagnosis of HIV, maintaining the number of people who are on treatment with antiretroviral treatment, which is a particular challenge in our city due to a transient population, and ensuring that ‘harder to reach’ groups are engaging with treatment and support.

Council agrees that tackling HIV stigma and maintaining and improving the treatment rates in Aberdeen meets the aims of the Aberdeen City Health & Social Care Partnership’s Strategic Plan 2019 - 2022 which promotes person-centred care and peer support and also the Resilient, Supported and Included aims of the Local Outcome Improvement Plan.

Council therefore recommends that the Lord Provost signs the Paris Declaration on behalf of the Council and instructs the Chief Officer of the Aberdeen City Health & Social Care Partnership to work with Community Planning partners to produce an action plan which will improve performance on the 90-90-90 targets and make progress towards the 2030 goals and report back to Community Planning Aberdeen and the Integration Joint Board on implementation of the Action Plan and work done as part of the Fast Track Cities initiative.”

10(b) Councillor Yuill (Pages 37 - 40)
