### POLICY

#### **Protecting and Improving Public Health**

The Board recognise that excessive consumption of alcohol can cause or exacerbate a number of health problems. All applicants will be expected to demonstrate measures to be taken to protect public health, and all licence holders will be expected to maintain those standards and take all necessary steps to prevent excessive consumption.

Whilst licensing is an important tool in the protection of public health it will not be sufficient in isolation and accordingly the Board will be interested in hearing from and working alongside relevant partners and interested parties where appropriate. Factors to be considered in connection with this particular licensing objective include, but are not limited to:

- Access to alcohol by vulnerable persons
- Excessive consumption
- Irresponsible promotion of alcohol
- Education of unit strength of alcohol

#### **What the Board Will Do:**

- Utilise local conditions on licences where appropriate.
- Liaise with public health organisation, the local licensing forum and other relevant parties.
- Monitor the number and capacity of premises, public health data and overprovision policies.
- Contribute to raising awareness of the licensing system.

#### **What the Board Will Expect of Licence Holders/Applicants**

- Proactive layout of off-sales premises to discourage impulse buying.
- Adequate staff training, including refusals policy and incident recording.
- Availability of low/non-alcoholic products and soft drinks.
- Licensed hours reflective of operating hours.
- Awareness of irresponsible promotions.

What the Board Will Expect of Partner Agencies:

- Effective communication of relevant trends and information.
- Provision of accurate statistics to assist with Board policy and decision making.
- Participation in efforts to increase public awareness of initiatives to protect and improve public health.

### **CONDITIONS ATTACHING TO LICENCES**

The Board has devised a number of local conditions which may be attached to premises licences.

1. The following condition will be attached to all off-consumption premises licences unless there is cause shown why this should not be the case:

#### **CCTV**

The licence holder shall provide sufficient internal and external CCTV coverage of the premises to meet the current technical requirements of the Police Service of Scotland as detailed in Aberdeen City Licensing Board's Statement of Licensing Policy.

Dear Mr Munro

**Licensing (Scotland) Act 2005 – Application for a Provisional Premises Licence  
CO-OP 1 Mounthooly Way, Aberdeen, AB24 3ER**

We refer to the above application and in terms of Section 22(1)(a) of the Licensing (Scotland) Act 2005, I make the following representation under the licensing objectives:

**Protecting and Improving Public Health**

In creating the new Statement of Licensing Policy, the Licensing Board recognised that excessive consumption of alcohol can cause or exacerbate a number of health problems. They set guidance within the policy to help address these concerns and included details within page 10 of the document that would assist applicants to comply with the Licensing Objective of Protecting and Improving Public Health.

Applicants are asked to consider a number of points when submitting their application for a license. We would be interested in comment on the following points:

**Proactive layout of off-sales premises to discourage impulse buying**

The Mounthooly Way area has higher than average statistics for alcohol related deaths. We are also aware that many people in recovery find it difficult to avoid alcohol as it is so readily available and visible as they go about their daily living. There is also

emerging evidence from COVID 19 suggesting that people are increasingly shopping locally and it is not unreasonable to assume this trend might continue in the future. The layout plan details an end of aisle alcohol display and also two free standing alcohol towers. There is evidence that products sold at end of aisles increase that product's sales, in this case alcohol.

We request that end of aisle displays and free standing display towers are not used for alcohol sales.

For this reason, and in terms of Section 22(1) (a) of the Licensing (Scotland) Act 2005, the Public Health Directorate of NHS Grampian submits this letter of representation as the granting of the application would be inconsistent with one or more of the licensing objectives, namely Protecting and Improving Public Health.

Yours sincerely

Dr Tara Shivaji

Consultant in Public Health

pp Marie-Louise Shaw

Health Improvement Officer (Alcohol & Drugs)

## Objection 1

We wish to object to the grant of a Provisional Premises Licence to the Co-op shop at 1 Mounthooley Way without conditions that address the concerns below.

1. The premises is in an area which has a high number of “resettled” residents who have/had substance issues including alcohol: to make alcohol more easily accessible/obtainable would not be assisting them in recovery. If the alcohol sale hours did not commence until mid-day this might help with the above.
2. The park adjacent to the Fire Station and directly across the road from the proposed Co-op shop has people sitting on the benches during the day consuming alcohol and leaving their litter left behind (bottles and cans). This makes the park uncomfortable to walk through or use in a way it was intended i.e. a relaxation area for locals. Would the Co-op be able to keep the park free of litter and safe for those who wish to use it by monitoring its use?

If the Licencing Board were to take note of the above they could in some way help to (a) prevent crime and disorder (b) secure public safety and (c) prevent public nuisance occurring in the area.

Yours sincerely

## Objection 2

Dear Sir/Madam,

We wish to register an objection to the application for an off-sales licence for a Co-op store at 1 Mounthooly Way, Aberdeen, on the following grounds:-

There is already an overprovision of off-licences in this area. There are two large supermarkets (Lidl and Morrisons) just round the corner on Hutcheon Street and West North Street/King Street. Both of these have extensive stocks of alcohol for sale, and are open long hours, which means that alcohol of all kinds is already available locally 7 days a week and until late in the evening.

Further to this, there is already a Co-op store on George Street, just yards from its junction with Hutcheon Street, where a significant proportion of floorspace is given over to alcohol, available every day till late evening. (It is to be expected that the same would be true of the alcohol provision at the proposed Co-op in Mounthooly Way) There is also a Sainsbury's Local Store nearby in George Street, on the corner of Maberly Street.

In addition to these, there are several smaller 'neighbourhood' shops in the area which sell alcohol, and are also open long hours - eg. in the Spital, and round the corner from the bottom of Jute Street.

From the point of view of the Licensing Objective of Protecting and Improving Public Health, it is important to note that it is recognised that "*the majority of alcohol is sold from off-sales premises*", and also that "*there are issues of harm that correlate with the operation of off-sales premises*" One would expect that the issues of harm would, logically, be exacerbated where availability of alcohol is

markedly increased, as one would expect in a sizeable store such as the one proposed at Mounthooly Way, which, unlike the Lidl, Morrisons, Sainsburys and other Co-op stores, is not situated in or adjacent to a retail centre, but is adjacent to a residential area.

Yours faithfully,

### **Objection 3**

I do hope the Council will not grant the premises licence as there are already a high number of outlets in the vicinity selling alcohol. With the social and health problems related to alcohol, in my opinion reducing the availability goes hand in hand with preventing alcohol misuse.

### **Objection 4**

We wish to object to the granting of provisional premises licence (off sales) for the following reasons.

1. To prevent public nuisance – the park opposite is currently used for the illegal consumption of alcohol. Granting this licence will no doubt exacerbate this problem.
2. To protect and improve public health – there appear to be a significant substance misuse problem in the locality where there is high population of under 25 years old and this young demographic would be most likely to frequent the premises.
3. There is an over provision licence premises in the vicinity e.g Morrison, Lidl, with Sainsburys Local, Co-op and Keystore all in George Street, Spital, Froghall Local Stores with more in King Street.
4. The location of the premises – the entrance/exit to 1 Mounthooly Way is directly opposite the Fire Station entrance/exit and within the controlled traffic light area presenting a hazard for fire tenders and customer vehicles with the increase of traffic entering and exiting 1 Mounthooly Way.

# Chief Constable's Annual Licensing Report for 2019/20

Aberdeen City Licensing Board

## **Foreword**

It gives me great pleasure to provide the Annual Licensing Report for 2019/20, in accordance with Section 12(A) Licensing (Scotland) Act 2005. During this year Police Scotland has continued to work tirelessly towards supporting and enforcing the licensing objectives.

Police Scotland continues to work closely with local authorities and partnership agencies to deliver effective regulation in liquor licencing. Preventing alcohol fuelled violence, disorder and antisocial behaviour is a priority and I believe that working together to achieve effective early intervention and enforcement is vital to this.

I would like to take this time to thank our many local partnerships and acknowledge the good work that they do, as without their support we would not be able to maintain the high standard in licencing we have become accustomed to in the Aberdeen City Board area.

Going forward I will continue to emphasise the importance of partnership working to our dedicated officers and staff. I am confident that through strong partnerships and collaborative working, we will meet any challenges that may arise and will continue to improve licensing standards for the communities of Scotland.

Mr Iain Livingstone QPM  
Chief Constable  
Police Service of Scotland

## **Police Scotland Licensing Overview**

The Violence Prevention and Licensing Co-ordination Unit (VPLCU) sits within Safer Communities based at Dalmarnock Police Station, Glasgow.

The VPLCU upholds the two tier structure for licensing which supports both national and local priorities through service delivery. They have overall responsibility for determining and delivering national licensing strategy and policy, by providing advice, guidance and support to divisional licensing teams as well as undertaking other specialist functions.

The Violence Prevention and Licensing Co-ordination Unit is a specialist department which consists of a small team of officers, based in Glasgow. The officers within the unit work with divisional licensing teams and partner agencies to help shape policy and strategy around the police licensing function. They provide practical and tactical advice to police licensing practitioners, operational officers, supervisors and policing commanders.

The VPLCU seek to ensure that legislation governing the sale and supply of alcohol is applied consistently across the country and all opportunities are taken to stop the illegal or irresponsible sale, supply or consumption of alcohol with the intention of preventing and reducing crime and disorder.

During 2019/2020, from a licensing perspective, our particular focus was on the following:

- Scrutiny of the serious incidents of violence, disorder and antisocial behaviour linked to licensed premises;
- Continuous professional development training and guidance for staff to harmonise licensing practice across the country;
- Working closely with statutory partners within a National Licensing Trade Forum to identify licensing related issues and prevent/reduce associated crimes;
- Governance and ongoing development of the National ICT Licensing System, known as “Inn Keeper”, to increase the efficiency and effectiveness of liquor and civic licensing administration and management.
- The implementation and ongoing development of the Licensing Admin tool provides divisional licensing officers with a single ICT product negating the need to research police systems independently. Through accurate recording, the licensing admin tool assists Police Scotland in deploying our resources to the right places and the right time to keep people safe.

Each of the thirteen Local Policing Divisions have a licensing team responsible for the day to day management of licensing administration, complying with statutory requirements as well as addressing any issues that may arise within licensed premises in their local area.

## **LICENSING BOARD AREA**

The Aberdeen City Licensing Board area is policed by North East Division.

Chief Superintendent Campbell Thomson is the Local Police Commander who has the responsibility for all day-to-day policing functions.

## **Local Policing Priorities**

Following our public consultation process, the policing priorities for North East Division 2019-2020, as set out in our Local Policing Plans, are as follows:

- Anti-social Behaviour, Violence and Disorder;
- Acquisitive Crime;
- Road Safety and Road Crime;
- Protecting People at Risk of Harm;
- Serious Organised Crime;
- Counter Terrorism and Domestic Extremism.

## **OPERATION OF THE LICENSING (SCOTLAND) ACT 2005**

The North East Division Licensing Team is located across the division in Aberdeen, Inverurie, Elgin and Stonehaven. All staff have a division wide remit and a working knowledge of all the areas covered.

The North East Division Licensing Team, supported by Community Policing Officers, has promoted the Police Service of Scotland's force priorities alongside the five licensing objectives, the overarching principles and aims of the Licensing (Scotland) Act 2005.

In the reporting period, as statutory consultees, the team responded to the Board regarding 405 applications for occasional licences or extended hours (an increase from 351 the previous year), 12 premises or provisional premises applications (an increase from 7 the previous year), 519 personal licence applications (an increase from 391 the previous year which reflects commencement of the ten year renewal point) and 119 premises variations or premises licence transfer applications (a slight reduction on 128 the previous year).

Where any query arises from any such application, a member of the team will seek to discuss the application with the applicant, or the applicant's agent, to ensure that responses to the Board by means of representation or objection are considered, reasonable and proportionate.

The team enjoys a strong working relationship with the Local Authority Licensing Standards Officers. Both teams meet on a regular basis to share information and

**OFFICIAL**  
**NOT PROTECTIVELY MARKED**

regularly conduct joint visits to licensed premises, on both a pro-active and reactive basis.

The North East Division Licensing Team is represented on the Local Licensing Forum and Aberdeen Alcohol and Drugs Partnership and works alongside the following groups and organisations to jointly improve local licensing issues:

- Unight;
- Local Security Industry companies;
- Best Bar None;
- Weekend Partnership;
- Street Pastors.

Reviewing incidents on, or connected to, licensed premises is a key part of our day-to-day business.

Community based Police Officers are encouraged and expected to routinely visit licensed premises within their area. Aberdeen city centre benefits from a dedicated Weekend Policing Plan to support the night time economy.

Within the reporting period, there were 2484 inspections (visits) to licensed premises within Aberdeen recorded on the InnKeeper system. This is a reduction on the previous year which saw 3077 recorded visits.

Any Police Officer who attends an incident at a licensed premises is expected to submit a concise report via the InnKeeper system, particularly when the incident involves violence, disorder, anti-social behaviour, drunkenness, drug misuse, underage drinking, breaches of licensing legislation or any other matter that might impact on public safety.

Within the reporting period, there were 687 incidents connected to licensed premises within Aberdeen recorded on the InnKeeper system. This is a reduction from 775 the previous year.

The information obtained may show a causal link between the operation of the premises and the incident. An incremental intervention process allows for issues to be addressed quickly and effectively at an early stage. This includes a low level 'interaction' which may involve a discussion between the Police and the premises management and/or licence holder. The level of engagement from within the Aberdeen licensed trade is very good and in many instances, this approach reduces recurrence or escalation.

Premises may become 'monitored' with closer attention being paid to any incidents occurring there. This is often undertaken in conjunction with tasked, supportive visits to the premises by uniformed Police Officers.

However, where necessary, the staged process allows for more formal intervention to support premises where the need for support has been identified. A premises licence holder and the premises management may be asked to meet with the Police,

**OFFICIAL**  
**NOT PROTECTIVELY MARKED**

when concerns will be discussed. This will often involve an agreed action plan being put in place, with a reasonable time scale for completion.

The most common example of an agreed 'action' is refresher training of staff covering their responsibilities including the sale of alcohol to underage or intoxicated persons, 'Challenge 25' and the general terms and conditions of the licence held.

Should the intervention stage not bring about the necessary changes, or be otherwise unsuccessful, the next stage is the submission of a premises licence review application for the consideration of the Licensing Board.

Over the reporting period there have been four licensed premises in Aberdeen subject to a period of monitoring or intervention. The issues that were addressed generally related to related perceived management shortcomings following incidents.

Partnership working between the Police, the Licensing Standards Officers and the premises licence holders and premises' management teams continues to hopefully fully resolve the issues and prevent bringing the matters to the Licensing Board by premises licence review application.

In the reporting period there were no premises licence review applications submitted to the Board.

The North East Division Licensing Team also has a system in place which monitors certain conduct of Personal Licence holders. Should such a licence holder be charged with any offence, this is brought to the attention of the team. Should the circumstances appear to be inconsistent with any of the five licensing objectives, consideration will be given to bringing this to the attention of the Board by way of a personal licence review. In addition, should an individual be convicted of a relevant offence, this will undergo the same scrutiny. In the reporting period, four such applications were submitted.

## **PREVENTING THE SALE OR SUPPLY OF ALCOHOL TO CHILDREN OR YOUNG PEOPLE**

Aberdeen City attracts a relatively low number of reports of underage drinking or youth congregation involving alcohol when considering other towns and cities across Scotland.

Where a person under 18 years of age is found to be either under the influence of alcohol, drinking alcohol in a public place or in possession of alcohol, the Police Officer involved will take all appropriate steps to ascertain the source of the alcohol.

Where information that cannot be fully evidenced is received regarding the sale of alcohol to children and young persons, in accordance with the national guidance contained within the 'Alcohol Toolkit', letters will be sent to licensed premises in the area reminding them of their responsibilities and requesting extra vigilance.

If such concerns were to continue in respect of specific premises, then other operational strategies would be considered.

**OFFICIAL**  
**NOT PROTECTIVELY MARKED**

One way in which North East Division delivers our commitment to the community is through our School Liaison Officers and School Based Officers. These Officers attend schools and other educational establishments seeking to equip our young people with the appropriate information and understanding that will allow them to make better informed decisions in key areas of their lives, both now and in the future. To this end they deliver lessons, linked to the Curriculum for Excellence, on a range of subjects including alcohol, controlled drugs and anti-social behaviour – particularly alcohol fuelled anti-social behaviour and the potential for related safety issues and consequences.

In support to the Protecting Children and Young Persons from Harm licensing objective, applications for premises licences and variations to premises licences come under close scrutiny often resulting in the submission of letters of objection, or more commonly, of representation, in which the imposition of conditions in respect of on sales, with regard to the times and terms in which children can be on such premises, will be recommended by the Chief Constable.

### **TACKLING SERIOUS AND ORGANISED CRIME**

Many of the processes and procedures involved in licensing applications are carried out to guard against Serious Organised Crime Groups (SOCG) infiltrating the licensed trade in any way. This scrutiny is further enhanced with the nation-wide InnKeeper system. This database contains details of all liquor and civic licences for every Division in Scotland, and enhances our information sharing in respect of premises and people in the licensed trade as they move about the country and work in multiple venues.

If such an SOCG were able to gain a foothold in licensed premises this would afford the criminal group a seemingly legitimate income stream, which could be no more than a veneer for other criminal activities such as money laundering, tax evasion, drug and people trafficking and other dishonest activities.

Many of the procedures currently carried out by the North East Divisional Licensing Team, particularly in relation to new premises licences and the transfer of premises licences are done to ensure complete financial transparency and to ensure there are no business related irregularities which may be indicative of SOCG involvement.

Frequent and directed Police attendance and contact with licensed premises also increases the opportunity for irregularities to be identified or reported.

As part of this, the North East Division Licensing Team regularly liaise with Police Interventions staff who are aware of SOCG activity within the Division to ensure that applicants are not affiliated in any way to such groups, before responding to the Licensing Board.

The consistent high profile approach and interaction with licensed premises in direct correlation with the aforementioned close scrutiny in the application process should reinforce the work carried out to maintain this position.

## **PROPOSED ACTIVITY FOR THE YEAR AHEAD**

Over the forthcoming year, North East Division Licensing Team, in conjunction with Community Policing Teams, will work alongside licensed premises, to ensure that these premises are adhering to the spirit of the legislation and operate in a manner that supports the five licensing objectives. We aspire to maintain our number of supportive visits to licensed premises and hope to see a continued reduction in the number of incidents taking place on licensed premises.

Our involvement and participation in public safety campaigns will continue, such as the 'Ask for Angela' personal safety campaign, the 'One Punch' campaign which highlights consequences for both victims and perpetrators of spontaneous acts of violence and support partners with campaigns such as 'Count 14' promoting awareness of alcohol consumption guidelines. We will also remain involved in ongoing work to ensure premises are complying with the recent Duty of Care condition.

Working with established partnerships but particularly with the licensed trade, we hope to continue to see a reduction in alcohol-related crime, particularly violence, whether perpetrated within licensed premises, public places or private spaces and furtherance of supporting the local licensed trade by adding our support to the local partnership supporting the national Best Bar None scheme.

To conclude we would like to thank you for your continued support and stress the importance of this collaborative problem solving approach. This ensures that Police, license holders and licensed premises staff have a better understanding of their responsibilities. We look forward to furthering this partnership over the coming year.

## ABERDEEN CITY LICENSING BOARD

LICENSING BOARD DATE: 28 July 2020

CLERK TO THE LICENSING BOARD Jenni Wilson

TITLE OF REPORT:Aberdeen Licensing Board Annual Functions Report 2019/20

REPORT AUTHOR: Sandy Munro, Interim Licensing Team Leader

### 1. PURPOSE OF REPORT

To invite the Licensing Board (“The Board”) to approve this Annual Functions Report.

### 2. RECOMMENDATIONS

That the Board:

- (a) approve this Annual Functions Report and;
- (b) authorise the Clerk to the Board to proceed with the publication of this Annual Functions Report.

### 3. BACKGROUND

1. The Air Weapons and Licensing (Scotland) Act 2015 amended the Licensing (Scotland) Act 2005 (the “2005 Act”) to introduce a requirement that Licensing Boards produce and publish annual functions reports and annual financial reports. The Boards annual function report must be prepared and published not later than 3 months after the end of each financial year. The July Board was the first available meeting for the report to be considered.

2. This report should contain a statement explaining how the Board has had regard to the licensing objectives, their licensing policy statement, and any supplementary licensing policy statement in the exercise of their functions during the financial year.

### 4. HOW THE BOARD EXERCISES ITS FUNCTIONS

1. The Licensing (Scotland) Act 2005 as amended (“the Act”) sets out regulations for the sale of alcohol and regulations for licensed premises and other premises on which alcohol is sold.

2. The Act has five licensing objectives which the Board must have regard to when exercising its functions. These objectives are: -

- i. Preventing crime and disorder
- ii. Securing public safety
- iii. Preventing public nuisance
- iv. Protecting and improving public health
- v. Protecting children and young persons from harm

3. The Board deals with all applications in accordance with the legislation, and in particular the five above objections, together with its Statement of Licensing Policy ("the Statement") which is based on the objectives.

4. The Board has determined all applications in line with the Statement. The Board has routinely applied additional conditions on the operation of outdoor drinking areas to ensure minimum disruption to the surrounding area and a condition that restaurants offering a delivery service can only supply alcohol alongside a food delivery. It has also determined all applications for licensed hours in line with the Statement.

5. The Board has also worked closely with partner agencies including Police Scotland, NHS Grampian, the local licensing forum and Licensing Standards Officers to ensure the satisfactory operation of licensed premises. As a result, problems can be identified and addressed at an early stage and reduces the need for Premises Licence Reviews after the fact.

6. The Board has taken steps to increase the scope of consultation and dissemination of information to licence holders, the general public and partner agencies. A representative of the Board also attends all Local Licensing Forum meetings.

## 5. SUMMARY OF DECISIONS OVER THE LAST FINANCIAL YEAR

1. A Summary of all decision made by the Licensing Board can be found on the Licensing Board's Website at <https://committees.aberdeencity.gov.uk/ieListMeetings.aspx?CommitteeId=151>

## 6. THE NUMBER OF LICENCES IN THE BOARDS AREA

1. See Appendix 1 – Premises Licences
2. See Appendix 2 - Personal Licences
3. See Appendix 3 – Occasional Licences

## ABERDEEN CITY LICENSING BOARD

LICENSING BOARD DATE: 28 July 2020

CLERK TO THE LICENSING BOARD Jenni Wilson

TITLE OF REPORT: Aberdeen Licensing Board Financial Report 2019/20

### 1. PURPOSE OF REPORT

To invite the Board to approve the Annual Financial Report set out in Appendix One to this Report.

### 2. RECOMMENDATION(S)

That the Board

- (a) approve the annual financial report set out in Appendix One and;
- (b) authorise the Clerk to the Board to proceed with the publication of the annual financial report.

### 3. BACKGROUND

1. The Air Weapons and Licensing (Scotland) Act 2015 amended the Licensing (Scotland) Act 2005 (the "2005 Act") to introduce a requirement that Licensing Boards produce and publish annual functions reports and annual financial reports. The Boards annual financial report must be prepared and published not later than 3 months after the end of each financial year. The July Board is the first available meeting at which the accounts can be considered.

2. The financial report must include-

- (a) a statement of-
  - i. the amount of relevant income received by the Licensing Board during the financial year, and
  - ii. the amount of relevant expenditure incurred in respect of the Board's area during the year, and
- (b) an explanation of how the amounts in the statement were calculated.

3. In this context, “relevant income” means income received by the Board in connection with the exercise of the Board’s functions under or by virtue of the 2005 Act. This involves totaling all the fee income generated by 2005 Act licence applications received during the financial year.

4. “Relevant expenditure” means any expenditure-

(a) which is attributable to the exercise of the Board’s functions under or by virtue of the 2005 Act, and;

(b) which is incurred by the Board, the Council or the Licensing Standards Officers for the Board’s area.

5. Calculation of relevant expenditure is more complicated to determine and requires the figures to be calculated upon estimates of the direct time spent by Legal Service staff as well as all costs in connection with the Licensing function to include central support costs and outlays. It is also worth noting that the Licensing Board income is not guaranteed to remain the same in any financial year and can vary significantly depending on the number and type of applications received. Also, in the event of any appeal against a Board decision, the cost of any appeal would require to be met from the Licensing Board income.
