reassessed in 5 years' time, to ensure that the loss of the property as residential accommodation would remain compliant with Policy 30 of NPF4.

The Committee heard from Samuel Smith, Planner, who spoke in furtherance of the application and answered various questions from Members.

The Committee then heard from Aileen Taylor and David Robertson, who both spoke against the proposed application and objected to the application.

The Convener moved, seconded by the Vice Convener:-

That the application be approved conditionally in line with the officer's recommendation.

Councillor Boulton moved as an amendment, seconded by Councillor Farquhar:-

That the application be refused for the following reasons.

1. The use of the property as a Short Term Let (STL) had a significant detrimental impact on the amenity of the immediate neighbouring residential properties within the application building beyond what would typically be expected if it were to be used as mainstream residential accommodation. This would be contrary to Policy H1 (Residential Areas) of the Aberdeen Local Development Plan (ALDP) 2023 and Policy 30 (Tourism) paragraph e(1) of National Planning Framework 4. It was considered that the location of the proposal as an STL as a tourism use was not within the city centre or land allocated to tourism related use which was a requirement of Policy VC2 of the ALDP 2023.
2. The proposal which was also identified as having the possibility to cause harm to the existing residents in the residential area was not considered to have met the locational requirements and was therefore contrary to policy VC2 (Tourism and Culture) of the ALDP 2023.

On a division, there voted – for the motion (8) – the Convener, the Vice Convener and Councillors Cooke, Copland, Henrickson, Macdonald, Malik and Radley – for the amendment (5) – Councillors Boulton, Clark, Farquhar, Lawrence and Thomson.

**Condition**

**(01) DURATION OF PERMISSION**

The development to which this notice relates must be begun not later than the expiration of 3 years beginning with the date of this notice. If development has not begun at the expiration of the 3-year period, the planning permission lapses.

The Convener moved, seconded by Councillor Copland:-

That the application be approved conditionally in line with the officer's recommendation.

Councillor Boulton moved as an amendment, seconded by Councillor Cooke:-

That the application be refused for the following reasons:-

1. That the proposal would be contrary to Policy 16 (Quality Homes) of National Planning Framework 4 and Policy H1 (Residential Areas) and D2 (Amenity) of the Aberdeen Local Development Plan due to the adverse impact it would have on the amenity and privacy resulting from the proximity of the shed of adjoining residential properties and the ground floor flat in particular; and
2. That the proposal would be contrary to Policy 14 (Design, Quality and Place) of NPF4 and Policy D1 (Quality Placemaking) of the Aberdeen Local Development Plan in that the design, scale, and prominent siting of the shed would adversely affect the character, visual amenity and landscape setting of the residential building to which it relates.
