POPULATION NEEDS ASSESSMENT - CUS/23/318

7. The Committee had before it a report presenting the 2023 Population Needs Assessment for Aberdeen City.

At this juncture, Councillor Yuill made a transparency statement by virtue of his position as an NHS Grampian Board Member, however, having applied the objective test he did not consider that his connection amounted to an interest which would prevent him from participating in the discussion on the item.

The Corporate Strategy and Community Planning Manager introduced the report and responded to questions from Members.

The report recommended:-

that the Committee note the Population Needs Assessment 2023 as contained at Appendix 1 of the report.

The Committee resolved:-

- (i) to note from the report that, while all households in Scotland will be affected by increases in the cost of living, a report by the Scottish Government suggests that it is those with lower incomes and little or no savings who will be most impacted as they spend a higher proportion than average on energy, food and transport and they therefore have less flexibility in their budget to cope with price rises. Therefore, to agree that a Council Tax freeze can only be supported if it is fully funded by the Scottish Government; and
- (ii) to otherwise note the report.

EXTERNAL ADVISERS' REPORT - CUS/23/319

8. The Committee had before it an update report prepared by the Locality Inclusion Manager and External Advisers regarding (1) a joint workshop with the Anti-Poverty Outcome Improvement Group on 19 September 2023 to begin the process of refreshing the Local Outcome Improvement Plan; and (2) a bid led by Aberdeen Council of Voluntary Organisations (ACVO) - which the external advisors had been involved in along with a group of third sector and public partners - to the Scottish Government Cash First fund. The outcome of the bid had been expected to be known by the end of October 2023.

The report recommended:-

that the Committee note the report from the External Advisers.

The Committee resolved:-

to note the information provided.
