***Venue: Max Convenience store Clunie Place.***

### **Age Verification**

This venue was issued a fixed penalty notice to MAX24 LTD on 17/05/2024 for failing to have an age verification policy in place at MAX CONVENIENCE STORE, 6 Clunie Place. The FPN was paid on 27/05/2024.

On April 10th, two of our trading standards colleagues, whilst conducting an inspection of the premises, observed a young male [who appeared to be 15 or 16] being sold a vape, when they questioned the employee it transpired that she was not checking proof of age. Given she had already received advice on more than one occasion this was very disappointing.

There are several other complaints regarding sales of underage products currently under investigation.

Given that there has been breaches in the venues age related sales policy we have concerns around the sale of Alcohol.

Can the venue assure the board that the policy is in place and rigorously upheld.

Hi,

I believe that Max Convenience Store, Cluny Place, Aberdeen has applied for an alcohol licence and I wish to strongly object.

My main objection is based on the fact that since that store opened there has been an increase in the number of school children

gathering at that store in the late afternoon and in the evenings, coupled with a sudden epidemic of discarded disposable vape cartons littering

the streets nearby as well as Clunie Place.

It is obvious that they are selling vapes to underage school children - how else can you explain that particular type of littering suddenly occurring

since the opening of that particular store. There are 2 ACC employees who gather up the litter most mornings and I would like to believe that they

would collaborate that fact, although I believe that the friendly shop manager offers them free coffee/juice to keep them happy.

It is rumoured that the disposable vapes can be purchased for as little as £3 each.

In February this year I emailed my concerns re the sale of vapes to underage children to Trading Standards and Louise Baker can confirm that.

My obvious concern is that if they have no scruples about selling vapes at such a low cost to underage children, then what is there to stop them selling

alcohol, at possibly below the minimum unit pricing, to underage children also,

Another cause for objection is that the area is already well served for the purchasing of alcohol - in fact the Premier store next door already sells alcohol

and there is also the SPAR shop at Mastrick Shopping Centre close by..

Kind Regards,

As a resident of the Area surrounding this premises , I feel that this would be unsuitable for such licence to be allowed , Since the opening of this show very large numbers of children & youths are gathering at the shop regularly & the sale of VAPES etc is evident due to the acumilation of empty VAPE BOXES DISCARDED ATT & around this shop & selling of vapes to underage kidds is in evidence daily , due to this I feel that off sales of Alcohol would be detrimental to the area and due to the proprietors seemingly no concerns of selling goods to underage young people then It would vastly inappropriate thanks , conserved resident.

Sent from my I Pad Regards.

Good Morning,

I am writing to object towards the application for Max Convenience Store on Clunie place.

This would cause so many concerns and problems to the community.

This shop is already selling vapes to children, well under the age and has lots of children standing outside the shop on a daily basis.

I regret that I do not support this application at all, and I'm sure most of the local community feel the same way.

Kind Regards

## ABERDEEN CITY LICENSING BOARD

---

**LICENSING BOARD DATE:** 26 June 2024

**CLERK TO THE LICENSING BOARD:** Jenni Lawson

**TITLE OF REPORT:** ~~OBJ~~Aberdeen Licensing Board Annual Functions Report 2023/24

**REPORT AUTHOR:** Sandy Munro, Solicitor

---

### 1. PURPOSE OF REPORT

To invite the Licensing Board (“The Board”) to approve this Annual Functions Report.

### 2. RECOMMENDATIONS

That the Board:

- (1) approve this Annual Functions Report and;
- (2) authorise the Clerk to the Board to proceed with the publication of this Annual Functions Report.

### 3. BACKGROUND

- 3.1 Licensing Boards must produce and publish annual functions reports and annual financial reports.
- 3.2 This report should contain a statement explaining how the Board has had regard to the licensing objectives, their licensing policy statement, and any supplementary licensing policy statement in the exercise of their functions during the financial year.

### 4. HOW THE BOARD EXERCISES ITS FUNCTIONS

- 4.1 The Licensing (Scotland) Act 2005 as amended (“the Act”) sets out regulations for the sale of alcohol and regulations for licensed premises and other premises on which alcohol is sold.
- 4.2 The Act has five licensing objectives which the Board must have regard to when exercising its functions. These objectives are: -
  - (i) Preventing crime and disorder
  - (ii) Securing public safety
  - (iii) Preventing public nuisance

- (iv) Protecting and improving public health
- (v) Protecting children and young persons from harm

4.3 The Board deals with all applications in accordance with the legislation, and in particular the five above objectives, together with its Statement of Licensing Policy which is based on the objectives.

4.4 The Board has determined all applications in line with the Statement of Licensing Policy. The Board has routinely applied additional conditions on the operation of outdoor drinking areas to ensure minimum disruption to the surrounding area and a condition that restaurants offering a delivery service can only supply alcohol alongside a food delivery. It has also determined all applications for licensed hours in line with the Statement of Licensing Policy.

4.5 The Board has also worked closely with partner agencies including Police Scotland, NHS Grampian, the local licensing forum and Licensing Standards Officers to ensure the satisfactory operation of licensed premises. As a result, problems can be identified and addressed at an early stage and this reduces the need for Premises Licence Reviews after the fact.

4.6 The Board has also sought a closer working relationship with the Local Licensing Forum, including a standing item of Forum Update on every Licensing Board Agenda. It is hoped that the details of the Annual Functions Report together with topics arising at the annual joint meeting with the Forum will provide a view on developing trends or areas requiring attention in the wider licensing landscape.

4.7 A summary of the Board's position in terms of the statistics which the Board has to provide the Scottish Government is enclosed as Appendix 4.

4.8 In line with recent years, the Board restricted the issue of General Extensions to the festive period.

## 5. SUMMARY OF DECISIONS OVER THE LAST FINANCIAL YEAR

5.1 A Summary of all decision made by the Licensing Board can be found on the Licensing Board's Website at <https://committees.aberdeencity.gov.uk/ieListMeetings.aspx?CommitteeId=151>

## 6. THE NUMBER OF LICENCES IN THE BOARDS AREA

## ABERDEEN CITY LICENSING BOARD

**LICENSING BOARD DATE:** 26 June 2024

**CLERK TO THE LICENSING BOARD:** Jenni Wilson

**TITLE OF REPORT:** Aberdeen Licensing Board Financial Report 2023/24

### 1. PURPOSE OF REPORT

To invite the Board to approve the Annual Financial Report set out in Appendix One to this Report.

### 2. RECOMMENDATION(S)

That the Board

(a) approve the annual financial report set out in Appendix One and;

(b) authorise the Clerk to the Board to proceed with the publication of the annual financial report.

### 3. BACKGROUND

3.1 Licensing Boards must produce and publish annual functions reports and annual financial reports. The Boards annual financial report must normally be prepared and published not later than 3 months after the end of each financial year. Amendments made by the Coronavirus (Scotland) Act 2020 extended the 3-month time limit to 9 months.

3.2 The financial report must include-

(a) a statement of-

i. the amount of relevant income received by the Licensing Board during the financial year, and

ii. the amount of relevant expenditure incurred in respect of the Board's area during the year, and

(b) an explanation of how the amounts in the statement were calculated.

3.3 In this context, "relevant income" means income received by the Board in connection with the exercise of the Board's functions under or by virtue

of the 2005 Act. This involves totaling all the fee income generated by 2005 Act licence applications received during the financial year.

3.4 “Relevant expenditure” means any expenditure-

- (a) which is attributable to the exercise of the Board’s functions under or by virtue of the 2005 Act, and;
- (b) which is incurred by the Board, the Council or the Licensing Standards Officers for the Board’s area.

3.5 Calculation of relevant expenditure is more complicated to determine and requires the figures to be calculated upon estimates of the direct time spent by Legal Service staff as well as all costs in connection with the Licensing function to include central support costs and outlays. It is also worth noting that the Licensing Board income is not guaranteed to remain the same in any financial year and can vary significantly depending on the number and type of applications received. Also, in the event of any appeal against a Board decision, the cost of any appeal would require to be met from the Licensing Board income.

3.6 This year’s accounts show a slight decrease in applications resulting in marginally smaller income than the previous year. Expenses have increased overall.

3.7 The result is a small surplus which would allow the Board to give consideration to retaining the reduced figures for the annual fees for all premises for the coming year.

#### 2. National Licensing Forum Group

- Recent discussion has taken place with Scottish Government regarding the next meeting of the National Group which is likely to take place in September. Local Licensing Forums have been asked to consider how the Scottish Government Justice Department (who organise and oversee the National Group) can support Forums. Our initial discussions have identified
  - a) the need for IT systems which can support local data gathering and analysis
  - b) the development of a national set of success criteria for Forums.
  - c) effective communication regarding National campaigns.

#### 3. Plans for Development Day

- The annual Development Day for the Forum is on Tuesday 18<sup>th</sup> June. It was agreed that we would invite a representative from Alcohol and Drugs Action to speak about ADA and their work with the intention of helping us to identify future actions and/or areas of focus for the Forum. A verbal update will be provided at the Licensing Board meeting on 26<sup>th</sup> June.
