WRITTEN REQUEST FOR SPECIAL MEETING

3. The Council had before the wording of the written request for this special Council meeting which had been signed by 12 members in accordance with Standing Order 8.2.2:-

“The business to be transacted relates to the business regarding **City Centre and Beach Masterplan.”**

Councillor Malik moved, seconded by Councillor Blake:-

That the Council -

- (a) notes the City Centre Masterplan was unanimously agreed by Council in 2015.
- (b) notes that the City Centre Masterplan outlines a 20 year development strategy for Aberdeen city centre and notes it identifies a series of ambitious but deliverable projects that support future economic growth and will help secure more benefits and opportunities for the communities of Aberdeen.

Council Meeting, Monday, 2 September 2024

- (c) notes that the multi-million projects include the creation of a new city market and the revitalisation of the beach area with plans for a pier, new green hub and a state of the art sports area which could include a new stadium for Aberdeen FC.
- (d) agrees that the Beach Development Framework is designed to capitalise on the built and natural assets of the area which is a tourism priority in its own right.
- (e) agrees that the SNP administration has got itself into a complete mess with the City Centre and Beach Masterplan undoing all the good work of the previous administration which worked with citizens, businesses, organisations and cross party to deliver for the people of Aberdeen.
- (f) agrees that the SNP administration are making a huge and expensive mistake by not investing sufficiently in the beach redevelopment.
- (g) agrees that, for the Council to move forward with confidence, officers must provide clarity to citizens of Aberdeen in the budget process on the total cost of projects outlined in Appendix 1 of the report CR&E/24/231 - City Centre and Beach Masterplan that is now destined for Finance and Resources Committee.

Councillor McLellan moved as an amendment, seconded by the Depute Provost:-
