

## **Future use of various Social Care and Wellbeing Properties**

### **Additional Information from Asset Management Team**

1. In anticipation of a Report being submitted to Committee, the availability of each property was circulated to all Council Services and the North East Property Group. At this stage no service or partner has expressed an interest in any of the properties.

### **2. The Asset Management team propose the following action:**

- Former Glamis Cottage - to be marketed as a residential redevelopment opportunity.
- Former Burnside Centre - to be marketed as a residential redevelopment opportunity.
- Former Dominies Road Hostel - to be marketed as a residential redevelopment opportunity.
- Former Seaview Children's Home - to be marketed as a residential redevelopment opportunity.
