

ABERDEEN LOCAL LICENSING FORUM

WORKPLAN AS AT DECEMBER, 2010

Licensing Objectives (for reference) –

- (1) Preventing Crime and Disorder,
- (2) Securing Public Safety,
- (3) Preventing Public Nuisance,
- (4) Protecting and Improving Public Health, and
- (5) Protecting Children from Harm.

Remit of Local Licensing Forums as set out in the Licensing (Scotland) Act 2005 – keeping under review the operation of the Act in the Forum's area and in particular the exercise by the Licensing Board of their functions including giving advice and making recommendations to the Board in relation to those matters where the Forum considers it appropriate. The Act does not enable a Forum to review or give advice or make recommendations in relation to the exercise by a Board of their function in relation to a particular case. "Case" is taken to mean an application before a Board and in the interests of natural justice is also taken to mean individual licensed premises. The preferred route for consideration of complaints about the running of licensed premises is to write directly to the Clerk or Depute Clerk to the Licensing Board.

The Licensing (Scotland) Act 2005 requires Licensing Boards in exercising any of their functions to have regard to any advice given or recommendations made to them by a Local Licensing Forum and where the Board decides not to follow the advice or recommendation to give the Forum reasons for that decision, the Board must provide copies of relevant statistical information to the Forum as it may reasonably require for the purposes of its general functions.

Licensing Standards Officers have a general function of providing to interested persons information and guidance concerning the operation of the Act, supervising compliance with the Act and the conditions of their licences by holders of Premises Licences and Occasional Licences and mediate between communities and the trade or between any two parties where there is a need to resolve a local problem and develop a local solution. LSOs do not act as "policemen" with regard to licensing but they will liaise with the police and other relevant officials such as Environmental Health Officers in pursuit of the objectives of the Act.

(1)	Find out from communities what are their areas of concern	Issues raised by Community Councils, etc have been considered by the Forum and where appropriate action has been taken to make further enquiries. The Forum will await any further referrals from Community Councils or individuals. In August 2010 the Lead Group of the Civic Forum was advised of the opportunity to raise concerns and to submit comments to the Licensing Forum to consider as part of the review of the Statement of Licensing Policy.		
(2)	Improve intelligence in relation to statutory bodies.	The Forum is gaining experience as it considers topics and input from Forum members who are representatives of relevant agencies. The Forum has been represented at conferences and training events and will continue to do so.		
(3)	To receive reports from the Licensing Board containing relevant statistical information.	031110 – In discussion with Clerk to Licensing Board, sections 12 and 6(5) were cited as grounds to refuse statistical

At the joint meeting with the Board on 23/4/10 it was confirmed that it will continue to monitor statistical trends in relation to crime and if possible health and other indicators in order to evaluate contributions to the achievement of the licensing objectives.</p>

	<p>Aberdeen is the only city in Scotland to employ only one Licensing Standards Officer. Although information on staffing levels elsewhere in Scotland may be out-of-date there is no doubt the majority of local authority areas employ more than one Licensing Standards Officer.</p> <p>The Forum at its meeting on 25/2/10 noted the response set out in this Plan but agreed to write to the Chief Executive of the City Council now seeking her views on increasing the establishment of Licensing Standard Officers.</p> <p>The Chief Executive has asked the Director of Housing and Environment to reply to the Forum and thanked the Forum for drawing this matter to her attention.</p>	<p>relevant of Head of Service (Housing and Environment) in the City Council. The views of the Clerk to the Licensing Board were also sought. It was agreed it would be premature to formally request the Forum to write to the Chief Executive of the City Council requesting an increase in the number of Licensing Standards Officers employed by the City Council. The professional opinion is that as the Licensing (Scotland) Act 2005 has only been operational since 1/9/09, it is too soon to accurately assess workload. It is anticipated that demand for advice will decline and from experience in dealing with the trade there is evidence of a high level of co-operation and willingness to comply. The officers concerned have given a commitment to review the position to decide whether or not to prepare a business case to support a request for additional staff resources. Meantime the Forum is asked to note that in addition to the Licensing Standards Officer one other officer has been</p>

		<p>trained in the Licensing Act duties. During 2010 more of his time will be freed up to undertake some of the duties. Other staff have also received elements of LSO training and this should facilitate a more proactive approach in relation to visiting licensed premises. The LSO's Line Manager will continue to monitor her workload which is standard Council practice. It is suggested the Forum may wish to review the position at its meeting on 11/11/10 as any approach to the City Council to consider enhancing staff resources could be considered then as part of the 2011/12 Budget process.</p>
