2.	Resources Management Committee 28.08.07 article 48	<p><u>Energy Futures Centre</u></p> <p>The Committee authorised officers to work with the Aberdeen Renewable Energy Group to develop an options appraisal and outline business case, and instructed a report to a future meeting on the outcome.</p>	<p>The outline business case is currently being updated due to current economic conditions. An industry support team is being developed to promote and raise finance for the project.</p> <p>An outline business case has been prepared but not yet accepted. We are of the opinion that A) the business case can be improved by some more innovative thinking/a different perspective B) that the involvement of the oil and gas industry will be critical to the project and also could bring the different perspective that could improve the business case. We are therefore taking a period to</p>	Economic/ Business Development Project Director	04.12.07	15.03.11
