POLICY

Protecting and Improving Public Health

The Board recognise that excessive consumption of alcohol can cause or exacerbate a number of health problems. All applicants will be expected to demonstrate measures to be taken to protect public health, and all licence holders will be expected to maintain those standards and take all necessary steps to prevent excessive consumption.

Whilst licensing is an important tool in the protection of public health it will not be sufficient in isolation and accordingly the Board will be interested in hearing from and working alongside relevant partners and interested parties where appropriate. Factors to be considered in connection with this particular licensing objective include, but are not limited to:

- Access to alcohol by vulnerable persons
- Excessive consumption
- Irresponsible promotion of alcohol
- Education of unit strength of alcohol

What the Board Will Do:

- Utilise local conditions on licences where appropriate.
- Liaise with public health organisation, the local licensing forum and other relevant parties.
- Monitor the number and capacity of premises, public health data and overprovision policies.
- Contribute to raising awareness of the licensing system.

What the Board Will Expect of Licence Holders/Applicants

- Proactive layout of off-sales premises to discourage impulse buying.
- Adequate staff training, including refusals policy and incident recording.
- Availability of low/non-alcoholic products and soft drinks.

- Licensed hours reflective of operating hours.
- Awareness of irresponsible promotions.

What the Board Will Expect of Partner Agencies:

- Effective communication of relevant trends and information.
- Provision of accurate statistics to assist with Board policy and decision making.
- Participation in efforts to increase public awareness of initiatives to protect and improve public health.

CONDITIONS ATTACHING TO LICENCES

The Board has devised a number of local conditions which may be attached to premises licences.

1. The following condition will be attached to all off-consumption premises licences unless there is cause shown why this should not be the case:

CCTV

The licence holder shall provide sufficient internal and external CCTV coverage of the premises to meet the current technical requirements of the Police Service of Scotland as detailed in Aberdeen City Licensing Board's Statement of Licensing Policy.
