1. INTRODUCTION

- 1.1 I am pleased to present the second annual effectiveness report for the Planning Development Management Committee. As Members will be aware, as part of their interim assessment of the Council's governance arrangements in 2016, CIPFA recommended that Committees review the extent to which they had operated within their Terms of Reference, through an annual report. This had been an aspiration for some time, representing good practice in governance terms. I am delighted that this year, the Council was the first in Scotland to be awarded the CIPFA Mark of Excellence in Governance, and that the annual effectiveness report was highlighted by CIPFA as an example of good governance. The annual effectiveness report also informs the annual review of the Council's Scheme of Governance and enables officers to identify if any changes are required, for example, to the Committee Terms of Reference.
- 1.2 As part of the 2020 review, minimal changes were made to the Planning Development Management Committee Terms of Reference to provide greater clarity and those will be monitored throughout the year and taken into consideration during next year's review and the preparation of the third annual committee effectiveness report.
- 1.3 The annual report is a good mechanism for the Committee to support the Council's improvement journey by demonstrating the ways that the Committee contributes to the Council Delivery Plan and Local Outcome Improvement Plan, whilst also providing the opportunity to reflect on the business of the Committee over the past year and to look to the Committee's focus for the year ahead.
- 1.4 Throughout the year, the Committee has worked to determine all applications for consent or permission except those local applications which fall to be determined by an appointed officer under the adopted Scheme of Delegation or for which a Pre Determination Hearing has been held; visited application sites where agreed; authorised the taking of enforcement action; made Orders and issued notices; approved the development briefs and masterplans; developed and adopted non-statutory development management guidance; conducted Pre Determination Hearings in pursuance of the provisions contained within 38A of the Town and Country Planning (Scotland) Act 1997 and reviewed and approved policies and supplementary guidance relating to its function.

11. EXECUTIVE LEAD’S COMMENTS

- 11.1 In early 2019 the Council initiated an annual review of the Corporate Scheme of Governance including the Scheme of Delegation. Officers in Strategic Place Planning took this opportunity to introduce changes that would be required as a result of the Planning (Scotland) Act 2019. A report to the Council’s City Growth and Resources Committee set out the changes that were introduced by the new Act, and asked for Member approval on a number of discretionary powers.
- 11.2 One of the key elements of this review included amending the Scheme of Governance to allow the Planning Development Management Committee (rather than Full Council) to determine development proposals considered to be significant departures from development plan strategy. This was approved at Full Council in March 2020 and came into effect immediately.
- 11.3 With the onset of the COVID-19 pandemic in the last few months of the Planning Performance Framework (PPF) reporting year, the entire applications team has moved rapidly and effectively to full home working. Planning Development Management Committee and Local Review Body

meetings have been successfully held electronically and broadcast online, as will be reported on further in next year's PPF report. Neighbour notification, newspaper advertising and display of site notices have all continued during lockdown.

12. NEXT YEAR'S FOCUS

- 12.1 The effectiveness of the Committee will continue to be reviewed over the year and planning training will continue to be part of the scheduled elected member development programme.
