

**STRATEGIC COMMISSIONING COMMITTEE  
12 NOVEMBER 2020**

**COUNCIL DELIVERY PLAN - ANNUAL REPORT 2019/20 - CUS/20/193**

8. The Committee had before it a report by the Director of Customer Services presenting the Council Delivery Plan 2019-20 Annual Report which built on the summary of progress captured in the Council Delivery Plan 2020/21, which had been presented to Council on 3 March 2020. The report summarised the deliverables for 2019-20, and outlined outcomes derived from the Council's Commissioning approach and Intentions, against which the Plan was a key element, representing a statement on how the Council has delivered on its contribution to each.

**The report recommended:-**

that the Committee note the report and provide comments and observations on the information contained in the annual report at Appendix A.

**The Committee resolved:-**

- (i) to note the report and welcome the significant achievements and progress highlighted throughout the annual review of the Council Delivery Plan 2019/20;
- (ii) to note that the annual review described the Council's major contribution, through the approved commissioning approach, to the delivery of the City's Local Outcome Improvement Plan; and
- (iii) to agree that the Co-Leaders of the Council write to COSLA requesting an update on progress they had made with the Scottish Government regarding the reform of local government finance including business rates and the replacement of Council Tax and for any reply to be discussed at the next meeting of the Strategic Commissioning Committee.
