- 3.2 The Annual Report details how the Fund was used and the impact it had during 2019-20. £1.6m was allocated by the Council to the Fairer Aberdeen Fund, to be dispersed by the Fairer Aberdeen Board, to tackle poverty and deprivation in the priority areas of Cummings Park, Mastrick, Middlefield, Northfield,

Seaton, Tillydrone, Woodside and Torry, and across the City with vulnerable groups and individuals. A few highlights are summarised here, further detail is available at Appendix 1.

- 3.3 At its meeting of 5<sup>th</sup> March 2018, Council agreed to request that the Chief Officer - Early Intervention and Community Empowerment ensure that future reports contain a table detailing project spend for each project with an explanation of the impact it has had in terms of the programme. This is available at Appendix 2.
- 3.4 The Fund is dispersed and managed by the Fairer Aberdeen Board, made up of representatives from the identified priority areas, the Civic Forum, the Council, NHS Grampian, Police Scotland and ACVO (Aberdeen Council of Voluntary Organisations). Following discussion with Locality Partnerships, the Fund is now aligned with the LOIP and Locality Plan themes and community representatives from Locality Partnerships participated in subgroups considering applications for funding and made recommendations to the Fairer Aberdeen Board.
- 3.5 Funding was awarded to 41 projects within the main programme, as well as a Community Support Fund to support community engagement, an Employment Support Fund to support costs associated with getting people back into work, and a Participatory Budgeting event to reduce social isolation in Froghall, Powis and Sunnybank.
- 3.6 Grants ranged from £2,200 to £156,000 in value. A total of 34,431 people were involved in, or benefited from, funded initiatives, 9,327 of them were under 16 years old. 973 volunteers contributed 145,324 hours of volunteering time with a value of over £2.2m.

It also provides opportunities for young people to enter employment, education and training. It provides access to affordable financial services and products, coordinated provision of quality advice and information services, and access to support and skills needed to return to work, including initial engagement, personal development activity and in work support.
- 3.8 Over the year 270 people moved into work and 62 young people moved on to employment, education or training.

Additional patrol hours were allocated to reduce harm to women involved in the sex trade and to protect communities from the risk and harm caused by prostitution. 61 ex-offenders were supported in the community after their release, 20 secured a positive destination and 11 moved into work.
