

Request for Deputation – Item 14.7 – Pinewood/ Hazledene

Rebecka , I would like to ask as per the standing orders if my agent Mr Alexs Robb of AB Robb could address the meeting on 1st matters Feb 2011 of resource management , absolutely nothing to do with planning matters only restricted to the lease and the tenancy and our interest in providing a renunciation of the lease to the landlords (the council) in order to market the site along with Robert Gordons College as landowners .It also may include a representative of the College or a letter to be presented to the committee from the College , as I understand recently the committee allowed deputations to be heard involving land issue's , in interests of fairness we respectfully ask if this request can be put to the committee for consideration , regards thanks for your assistance in advance,

Alan Massie.
