The Committee resolved to recognise that in compliance with The Equality Act 2010 that all taxi user requirements should be considered and instructs the Chief Officer Governance: (1) to prepare a report with suitable mixed fleet policy options for the split which would address all customer needs whether they are a wheelchair user, visually impaired or have other mobility requirements or other relevant disability; (2) to submit the aforementioned options to the Licensing Committee meeting by June 2022 for consideration, noting that subject to the approval in principle of the options a full consultation as outlined in section 4.2 of the report would be undertaken and the outcome reported back to the Committee; and (iv) to further recognise that in 1994 when new applications for taxi licences were required to be wheelchair accessible vehicles an exemption was allowed for existing licence holders, at that time, to retain a non-accessible vehicle and even licence a further non-accessible vehicle on renewal of the licence or replacement of such vehicle and to agree that this exemption should remain meantime and instructs the Chief Officer Governance to incorporate this exemption as an option within the proposed mixed fleet policy options to be submitted to Committee by June 2022.
