## RISK, AUDIT AND PERFORMANCE

### 3. Summary of Key Information

- 3.1. The IJB is responsible for ensuring that its business is conducted in accordance with the law appropriate to standards, safeguarding public funds and assets and making arrangements to ensure best value. To demonstrate this, an annual governance statement is produced and included within the annual accounts document. The IJB is required to review the effectiveness of the control environment annually and this also features in the annual governance statement.
- 3.2. In April 2016 CIPFA\SOLACE published a report titled 'Delivering Good Governance in Local Government: Framework'. The objective of the Framework is to help local government in taking responsibility for developing and shaping an informed approach to governance, aiming at achieving the highest standards in a measured and proportionate way.
- 3.3. Whilst the document is written in a local authority context, most of the principles are applicable to public bodies including the IJB, particularly as the legislation recognises the Aberdeen City Health and Social Care Partnership (ACHSCP) as a local government body, under Part VII of the Local Government (Scotland) Act 1973, and therefore subject to the local authority accounting code of practice. Aberdeen City Council (ACC) has also adopted a local code of corporate governance based on this framework and many of the assurances will be contained in the same documents.
- 3.4. At the APS Committee on 11 April 2017, now the RAPC, a local code of corporate governance was approved based on this Framework and this forms the basis of the annual governance statement.
- 3.5. A review has been undertaken of the sources of assurance and the changes are highlighted in italics in Appendix 1 of this report. Many of the assurances come from documents which belong to NHS Grampian (NHSG) and ACC. This is appropriate given the partnership model for IJBs where the decisions made by the IJB are required to be actioned using processes of the partner organisations.
- 3.6. An annual review will be required to be undertaken to assess IJB performance against these principles. This will identify any weaknesses and improvement actions required.
