Trustees

As per guidance provided by OSCR, “Trustees” of the Charitable Trusts are those who have “general control and management” of the charity. Decisions regarding the general control and management of the Charitable Trusts are made by the full Council. All the Trustees are normally elected or re-elected at local government elections. By-elections are held when elected members vacate their positions, to elect new members, who automatically become Trustees. New members are supplied with training as part of their induction process.

Structure, governance and management

The Charitable Trusts are constituted in a variety of ways. The type of governing document is shown at Appendix 1, where they are available. Information regarding some of the trusts is not available owing to their antiquity and the fact that they have been administered by a number of government bodies since coming into public control.

The positions of Secretary and Treasurer are filled by professionally qualified officers of Aberdeen City Council.

Risk

The trustees have overall responsibility for the Charitable Trusts system of internal control, including financial reporting and compliance with laws and regulations. The trustees acknowledge that such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives and can only provide reasonable and not absolute assurance against material misstatement or loss.

Objectives and activities

Information on the purpose and nature of the trusts is given below.

Bridge of Don Fund

The fund, more properly known as the Brig O' Balgownie Trust Fund, was set up in 1605 and its original purpose was for the "repair and upholding of the Brig O' Balgownie". Modern charity legislation does not include bridge maintenance as a charitable purpose and OSCR have deemed that the purpose of this trust is the advancement of heritage.

In August 2016 the trust adopted a new constitution.

The Bridge of Don Fund has a 30% interest in the Lands of Skene with the remainder of its funds being invested in the Aberdeen City Council Loans Fund.

Alexander MacDonald's Bequest

This fund was established in 1882 for the purchase of works of art for the Aberdeen Art Gallery and Museum collection following the death of Mr. MacDonald.

Trust funds are invested in the Aberdeen City Council Loans Fund.

Aberdeen Art Gallery Trusts

This trust was reorganised in March 2014 by the adoption of a new trust deed and funds are used for the advancement of the arts by providing for the purchase of works of art for the collection of Aberdeen Art Gallery & Museum.

Trust funds are invested in the Aberdeen City Council Loans Fund.

Guildry

The Guildry was formed 800 years ago, giving merchants of Aberdeen considerable powers within the town of Aberdeen. Over time that power has diminished, and the membership is no longer restricted to merchants. Today the Guildry exists for the promotion of the City of Aberdeen. The governance of the Guildry was last updated by a Court of Session decision in 1996 which recognised the financial assistance scheme to Burgesses and their family members and a new scheme of educational bursaries. Educational bursaries have not been awarded for a number of years and the Dean of the Guild has been working with Aberdeen University, Robert Gordon University and the North East Scotland College to identify potential candidates for bursaries.

The Guildry is currently working on drafting a revised constitution to enable participation in a wider range of charitable activities.

Trust assets are a 40% share in the Lands of Skene and investments in the Aberdeen City Council Loans Fund.

Lands of Skene

The Lands of Skene goes back to 1710 when the east half of the Lands of Skene was purchased on behalf of certain accounts. This was followed in 1712 by the purchase of the west half. Two feuing schemes were carried out in 1789 and 1816 and the land now remaining is known as the Lands of Easter Carnie.

In recent years, a number of properties have been sold off and funds have been invested in the Aberdeen City Loans Fund.

The free revenue from the Lands of Skene is split between the following:

Guildry Funds – 40%
Bridge of Don Trust – 30%
Common Good Fund – 30%

This is believed to represent the share of investment in the original purchase of the lands.

Lands of Torry

The Lands of Torry goes back to at least 1704 when they were purchased on behalf of certain accounts:

Duncan Liddel's Mortification – Professor of Mathematics – 25%
Duncan Liddel's Mortification – Library of College – 2%
James Cargill's Mortification – Bursary Fund – 10%
Patrick Copland's Mortification – Professor of Divinity – 12%
Common Good Fund – 51%.

The annual surplus from this fund is now split between the following:

Common Good Fund – 51%

University of Aberdeen Bursary Fund – 49%.

Education Endowment Investment Funds (EEIF)

The EEIF comprises over 60 smaller trusts, bequests and legacies split over 3 general areas.

- Education – primarily concerned with prizes or awards at schools
- Social Work – largely to provide comforts at residential homes
- John Murdoch Henderson Bequest – to be used for the purchase of music of intrinsically Scottish interest for the Central Library, Aberdeen.

In general, the charities activities are limited to the accrual of income from investments for use as appropriate given the purposes of the charity.

While reviewing records as part of the Council's reorganisation of charitable trusts, OSCR advised that only a small number of trusts previously reported as part of the EEIF were registered as charities. Only accounts in relation to these registered charities are contained in this document. A review will take place of all trusts that were previously reported as part of the EEIF to consider a reorganisation in consultation with OSCR.

The charitable trust now comprises of the trusts listed in appendix 2, sixteen of these trusts relate to prizes or awards at school while the other trust is for the purchase of music.

The John Murdoch Henderson Trust adopted a new constitution in 2015 which allows for the purchase of a wider range of music. This trust has funded the subscription to on-line music services for Aberdeen City Library Service users. This trust will be wound up once its funds have been expended.

Financial Review

The Trusts' total income increased from £281k in 2019/20 to £338k in 2020/21.

Total Expenditure decreased from £289k in 2019/20 to £231k in 2020/21. The Trusts paid £4k less in donations, paid £39k less free revenue to the Common Good and Mortification Funds and administration costs fell by £8k.

The value of Investments increased by £250 in 2020/21 compared to an decrease of £415k 2019/20.

Investments in the City of Aberdeen Loans Fund have increased from £3.237 million in 2019/20 to £3.529 million in 2020/21.

This has resulted in an increase in Net Assets from £7.686 million in 2019/20 to £8.043 million in 2020/21.

The following financial statements for all the Charitable Trusts have been prepared using the connected charities provision. They show the income and expenditure for

the individual charities along with the surplus or deficit for the year. None of the individual charities are carrying forward a deficit on their reserves.

Where Governance Costs are allocated to charities these are in proportion to the value of the sums invested with the Council and are based on time spent by officers of Aberdeen City Council providing financial and other support to the organisations.

The investment policy of the Trust is to invest any surplus monies in the Aberdeen City Council Loans Fund.

The charities have no fundraising activities, as such, their annual income is earned through rentals on land and buildings, interest on cash balances, or through investment income by holding assets from securities to holdings in investment trusts. Consequently, the trusts' annual income will reflect the current record low interest rates and the limitations on increasing rents on farm properties governed by agricultural tenancies.

Reserves Policy

The Charitable Trusts have no explicit reserves policy, but as a general principle the "capital" of the funds is held effectively as a permanent endowment with only the annual income available for disbursement in the year.

The exceptions to this rule are for charities with little funds and a governing document that specifically states that the capital can be expended. An example of this would be the John Murdoch Henderson Bequest, which as noted above adopted a new constitution to enable the expenditure of the entire capital.

Aberdeen City Council Charitable Trusts hold unrestricted reserves totalling £7,949 million which are made up of unrestricted funds of £4.076 million and designated funds of £3.873 million. There are no restricted funds. Designated funds are those funds which relate to Aberdeen City Council non-charitable trusts which have invested in the Lands of Skene and Torry and at present no plans exist to spend this money.

Achievements and performance

A number of trusts have limited activity pending re-organisation, namely the EEIF and Guildry. The main charitable expenditure is the transfer of funds to the Aberdeen City Common Good Fund which finances a variety of activities for the benefit of the population of Aberdeen and funding for the Aberdeen University Bursary Fund. Further details are shown in the accounts within note 3.

Future plans

The Guildry has been working with the University of Aberdeen, Robert Gordon University and North East Scotland College to find candidates for its bursary scheme. A new constitution for the Guildry is being drafted and initial conversations

have taken place with OSCR. Work continues to have this ready for trustee approval as soon as possible.

The EEIF is currently being reviewed as a number of school prizes relate to schools that no longer exist.

The limited funds held by the Alexander MacDonald Bequest will be used to fund the purchase of a work of art. The future of this trust and the Aberdeen Art Gallery Trusts will be reviewed in due course as both trusts have minimal funds.

STATEMENT OF THE TRUSTEES' RESPONSIBILITIES IN RESPECT OF THE ACCOUNTS

The Trustees are responsible for preparing the Trustees' report and accounts in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice (UK GAAP).

Law applicable to charities in Scotland requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the Trust's financial activities during the year and of its financial position at the end of the year. In preparing financial statements, giving a true and fair view, the Trustees are required to:

- select suitable accounting policies and apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Trust will continue in operation.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Trust and which enable them to ensure that the financial statements comply with the Charities and Trustee Investment (Scotland) Act 2005, the Charity Accounts (Scotland) Regulations 2006 and the provisions of the Trust Deed. The Trustees are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention or detection of fraud and other irregularities.

Signed on behalf of the trustees on 30 June 2021.

1 - Accounting policies

Accounting convention

The accounts are prepared under the historical cost convention, and include the results of the Trusts' operations, all of which are continuing.

The accounts have been prepared in accordance with applicable accounting standards and comply with the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended) and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard 102 published September 2016.

In line with Regulation 7 of the 2006 Regulations, these financial statements have been prepared on the basis that the Trust funds for which Aberdeen City Council acts as sole Trustee are connected charities. As such, the accounts for the statements contain all relevant information that the individual accounts would have contained if they had been prepared on an individual basis.

Going concern

The accounts have been prepared under the going concern concept on the basis that Trustees have considered it and are satisfied that the going concern concept is appropriate.

The John Murdoch Henderson Trust, part of the EEIF, had funds of £31k at 31 March 2020 and plans to expend remaining trust funds on subscriptions to on-line music services. When funds have been expended the trust will be wound up.

Recognition of revenue and expenditure

All income and expenditure due to be paid or received in respect of the year ended 31 March 2020 has been provided for within these accounts. Where revenue and expenditure have been recognised but cash has not been received or paid, a debtor or creditor for the relevant amount is recorded in the Balance Sheet.

Liabilities are recognised when the charity has an obligation to make payment to a third party.

Resources expended are included in the Statement of Financial Activities on an accruals basis inclusive of any irrecoverable VAT.

Expenditure is directly attributed to the relevant category in the Statement of Financial Activities where practical. Other expenditure is allocated on a pro-rata basis based on the size of the fund.

Governance costs include those costs incurred in the governance of the charity and its assets and are primarily associated with constitutional and statutory requirements.

Interest is applied to the charity accounts gross of income tax based on an annual interest rate received from banks on funds invested by Aberdeen City Council on behalf of the charities during the year.

Management charges are 1% of the loans fund held at the start of the year where the balance is over £500.
