

**ABERDEEN CITY COUNCIL
2020/21 to 2025/26**

**THE PRUDENTIAL CODE
For Capital Finance in Local Authorities**

From 1 April 2004, Councils are required by Regulation to have regard to the Prudential Code (the Code) when carrying out their duties under Part 7 of the Local Government in Scotland Act 2003.

In setting the revenue and capital budgets, members will be aware that under the Prudential Code, the level of capital investment is determined locally. Therefore, these indicators will be reviewed on an ongoing basis to ensure that the Council does not breach the indicators it sets.

The key objectives of the Code are to ensure:-

- The Council's capital programmes are affordable, prudent and sustainable.
- Treasury management decisions are taken in accordance with good professional practice.

The Code also has the objectives of being consistent with and supporting local strategic planning, local asset management planning and proper option appraisal.

In setting the indicators, cognisance should be paid to the level of capital investment looking ahead for a five year period, for both the housing and non-housing capital programmes that the Council wishes to embark upon. The Code also requires that the underlying requirement to finance PPP projects and finance leases be included when setting the indicators.

The Code requires the following Prudential Indicators are set for the Council:-

The Prudential Code states:

“In order to ensure that over the medium term net borrowing will only be for a capital purpose, the local authority should ensure that net external borrowing does not, except in the short term, exceed the total of the capital financing requirement in the preceding year plus the estimates of any additional capital financing requirement for the current and next two financial years.”

The Chief Officer - Finance reports that the Council can meet this requirement in 2021/22, and it is expected to do so for the future years, as outlined, taking into account current commitments, existing plans, and the assumptions in this report.
