The notes below summarise the current financial position in respect of each of the group entities.

Subsidiaries

Common Good

The Common Good is corporate property and must be applied for the benefit of the community as the Council thinks fit. It is invested in land and buildings, such as industrial estates and farms, with any surplus being placed on cash deposit, which will change during 2021/22 to be substantially invested in a multi-asset income fund managed by Fidelity.

The Common Good is currently forecasting a surplus of £65k for 2021/22 mainly due to £77k budget allocated for Highland Games not expected to be spent due to the games being cancelled. This surplus is reduced by a contribution of £12.5k towards the Denis Law statue approved in the CG&R committee on 11/05/21, see Appendix 2. The financial statements for the quarter are shown in Appendix 3.

Trust Funds

The Council is responsible for the administration of various trusts created by bequest or evolved through history or by public subscription which are utilised for a variety of benefits such as education and social work, charitable purposes, religious instruction, medical institutions, the upkeep of public works and also the administration of the Guildry. The money earned from the investments of the Trusts is used to provide grants, prizes and dux medals for school children and requisites for clients in Social Work homes.

At the end of March 2021, the Trusts reported a net surplus of £343k.

The Trusts are not expected to have a material impact on the Council's financial position for 2021/22.

Sport Aberdeen

Sport Aberdeen Limited is a charity and constitutes a limited company, limited by guarantee. The principal activity of the company is the provision of recreation leisure facilities and services on behalf of Aberdeen City Council in accordance with key priorities. Although Aberdeen City Council does not own the entity, it is considered that control representing power to govern exists through agreements in place and that Sport Aberdeen Limited operates as a structured entity of the Council.

The results for the period ended 31st May 2021 show net income for the year of £81k.

Bon Accord Care and Bon Accord Support Services

Bon Accord Care Limited (BAC) and Bon Accord Support Services Limited (BASS) are private companies limited by shares which are 100% held by Aberdeen City Council. Bon Accord Care provides regulated (by the Care Inspectorate) care services to Bon Accord Support Services which in turn delivers both regulated and unregulated adult social care services to the Council.

The consolidated position of Bon Accord Care and Bon Accord Support Services shows a deficit of £145k as at 30th June 2021 which is £57k higher than the budgeted deficit of £89k.

This is mainly due to large spend on equipment incurred in the earlier half of the financial year and reducing later in the financial year. Furthermore, there are corrective actions being undertaken to reduce expenditure.

BAC and BASS are forecasting a break-even position for 2021-22.

Joint Ventures

Aberdeen Sports Village Limited (ASV)

ASV Ltd is a company limited by guarantee and registered as a charity. It is a joint venture company owned equally by the Council and The University of Aberdeen. ASV Ltd was incorporated in 2007 and its objectives are to provide sports and recreational facilities, including elite sports facilities for the use of both students and staff of the University of Aberdeen and the general public, and the advancement of public participation in sport.

The financial year end for ASV Ltd is not aligned to the Council's with its year end being 31 July. The latest available financial information for Aberdeen Sports Village is for the period ended 31 May 2021. This showed that ASV Ltd reported a deficit of £1,909k. The share of the deficit being attributed to the Council is £954k.

Aberdeen City Integration Joint Board (IJB)

The IJB was established by order of Scottish Ministers on 6 February 2016, becoming fully operational from 1 April 2016. The IJB is responsible for the strategic planning, resourcing and operational delivery of all integrated health and social care within the Aberdeen City area. This has been delegated by the partners, Aberdeen City Council and NHS Grampian.

As at 30 June 2021, the IJB is forecasting a break-even position for financial year 2021/22.

Further analysis of the IJB variance can be seen in Appendix 1

Associates

Grampian Valuation Joint Board

The Grampian Valuation Joint Board was created following Local Government Re-organisation on 1 April 1996, under the Local Government (Scotland) Act 1994 and covers the local government areas of Aberdeen City, Aberdeenshire and Moray.

The Board has reported a surplus of £87k as at 30th June 2021 which is £67k more than the budgeted surplus of £20k at the same date.

This has arisen due to savings from existing staffing vacancies of £120k which is netted off against overspend on accommodation of £63k.

The portion of the surplus attributable to ACC is £34k.
