INTEGRATION JOINT BOARD

DIRECTION

ISSUED UNDER S26-28 OF THE PUBLIC BODIES (JOINT WORKING) (SCOTLAND) ACT 2014

NHS GRAMPIAN is hereby directed to deliver for the Board, the services noted below in pursuance of the functions noted below and within the associated budget noted below.

Services will be provided in line with the Board's Strategic Plan and existing operational arrangements pending future directions from the Board.

Related Report Number:- HSCP.21.066

Approval from IJB received on:- 24 August 2021

Description of services/functions:-
To develop and implement the New Service Delivery Model for vaccination services as described in report HSCP.21.066.

Reference to the integration scheme:-
Annex 1, Part 3 Services provided to those under 18 years of age, 1.Health Visiting 2.School Nursing 3. All services provided by Allied Health Professionals, as defined in Part 2A Annex 1, in an outpatient department, clinic, or out with a hospital.

Link to strategic priorities (with reference to strategic plan and commissioning plan):-
Prevention: The delivery of our vaccination programme directly seeks to address the preventable causes of ill health in our population.
Personalisation: The vision of our immunisations service redesign seeks to "providing services at the right time in the right place to meet patient needs."
Connections: The shift in immunisation delivery into community hubs will help us to develop meaningful community connections with local people which will seek to improve immunisation uptake levels.

Timescales involved:-
Start date:- Autumn 2021 End date:- ongoing in line with vaccinations requirement.

Associated Budget:-
National Health Service – NHS Grampian are directed to deliver the vaccination blueprint as outlined in Appendix A of report HSCP.21.066 within the financial budget detailed therein.

Prior to sending this direction, please attach a copy of the draft IJB minutes, original report and the completed consultation checklist.
