## 1. INTRODUCTION

- 1.1 I am pleased to introduce the third annual effectiveness report for the Public Protection Committee. This maintains the good practice in governance terms and evidences our continued commitment following successfully receiving CIPFA accreditation.
- 1.2 The Public Protection Committee (PPC) performs an important role in the Council's overall public protection arrangements. It continues to provide local democratic oversight to key areas including child and adult protection, environmental health and resilience. It also discharges the Council's obligations in terms of the Police and Fire Reform (Scotland) Act 2012.
- 1.3 I continue to seek to bring a collaborative approach to the business of the Public Protection Committee not just with elected members, but with all officers, and the Council's partners, including the Scottish Fire and Rescue Service and Police Scotland. I truly value our partners' contribution to the Public Protection Committee. I continue to look forward to maintaining the strength of our relationships which are essential as the city looks to deliver the aspirations of the most recently refreshed Aberdeen Local Outcome Improvement Plan.
- 1.4 I have appreciated the support of council officers in delivering the business of the PPC particularly against the backdrop of the Covid-19 pandemic. I extend my personal thanks to the Police and Fire Service for continuing to keep us safe in these extraordinary difficult and uncertain days.
- 1.5 As Convener, I have strived, with the cooperation of the committee, to keep public safety at the forefront of all we deliver for the city and the safety of the residents of Aberdeen.
- 1.6 We have been hampered this year in much of our delivery of council and partner services due to the necessary operational response to the pandemic, however I express admiration for the innovative processes and procedures adapted, modified and created by officers and our partners to assist us through the pandemic.
- 1.7 I remain in hope and trust that as we return to a new-normal, we continue to fulfil our public service duty, now and in the future whilst recognising the changes placed upon us all by Covid-19.

My very best and warm regards

Councillor Jennifer Stewart, Convener

## 11. EXECUTIVE LEAD'S COMMENTS

- 11.1 In 2020 the Council achieved the CIPFA Mark of Excellence in Good Governance. As part of our work to achieve this, the Council adopted the CIPFA recommended practice, that each Committee should annually review its effectiveness, including its information reporting needs, to help ensure that each Committee was following its Terms of Reference; operating effectively; and would assist in identifying any training needs or improvements to the Council's decision-making structures.

- 11.2 Much of the attention of the Council and our partners Police Scotland and the Scottish Fire and Rescue Service has seen refocus and priority alignment to managing and dealing with the impact of the pandemic. During the pandemic period, none of the Committee's business required to be managed by the Urgent Business Committee.
- 11.3 It should be noted that whilst 50% of reports submitted to the Committee had modifications to the recommendations, these were to additionally record the Committee's appreciation of the successful delivery of the topic, or to reinforce assurance.
- 11.4 The Committee carried out much of its business using MS Teams technology and whilst this enabled full member participation, it further allowed all elected members the opportunity to observe meetings which has undoubtedly been beneficial in

## 12 NEXT YEAR'S FOCUS

- 12.1 On 3 March 2021, Council approved the existing Committee Terms of Reference and a further review will be reported to Council in February 2022. Throughout the next reporting year, we will review the Terms of Reference in line with the business submitted to the Committee and reflect on whether any areas require refinement moving forward to ensure the efficient operation of the Committee. This will consider activities during the pandemic.
- 12.2 During the course of 2021/22, the Accounts Commission published a Best Value Assurance Report in respect of Aberdeen City Council. It commented that members robustly challenge and scrutinise management with a clear focus on the communities and citizens they represent, in respect of governance, process and matters presented for decision. As the Council and the city builds back from the impact of the pandemic, it will be important for the committee to continue to build on the momentum and recognition gained since its formation in 2018. This particularly prevalent in some of those areas of service delivery which often deal with the hidden impact of the pandemic.
- 12.3 Looking ahead to the committee's business planner for 2022, it is pleasing to see that the committee has already established a sound cycle of regular reporting across the spans of its terms of reference. This will undoubtedly be complemented by additional items of business as matters arise during the course of the new year.
