

# Integrated Impact Assessment Pre-screening Stage 1

The Integrated Impact Assessment (IIA) supersedes the previous Equality and Human Rights Impact Assessment (EHRIA) form.

The pre-screening (Stage 1) will determine if your proposal requires a full impact assessment (Stage 2). Stage 2 will look at details of your proposals, the impact and any mitigations in place.

**Note:** This form should be completed using the guidance contained in the document: 'Guide to Completing an Integrated Impact Assessment'. Please read the guidance before completing this form.

This assessment and accompanying guidance use the term 'policy' for any activity within Aberdeen City Council. Therefore 'policy' should be understood broadly to embrace the full range of your policies, provisions, criteria, functions, practices and activities including the delivery of services - essentially everything you do.
