### 3. Summary of Key Information

- 3.1. This is the fifth time that a full set of accounts have been prepared for the Integration Joint Board (IJB).
- 3.2. A great deal of work has been undertaken at a national level to agree on a proposed approach to the Integration Joint Board Accounts. Even then there will be changes in format and the disclosures contained in the accounts based on local circumstances. However, the major disclosures and format is based on a template commissioned by the Scottish Government with the Chartered Institute of Public Finance and Accountancy (CIPFA).
- 3.3. The accounts are based on the Code of Practice on Local Authority Accounting in the United Kingdom 2021/22 (the Code) and follow the format of the accounts used by local authorities as the IJB is recognised as a local government body, under Part VII of the Local Government (Scotland) Act 1973.
- 3.4. The audit of the accounts was conducted from May 2022 to September 2022. The final audited accounts have been brought back to the IJB for approval. During the audit process some minor changes were made to the accounts, largely presentational changes.
- 3.5. Aberdeen City Council have embarked on a process to shorten the timescale for closing the final accounts. As the IJB accounts feed into the Aberdeen City Council accounts, the IJB accounts have been collated quicker than most other IJBs in Scotland. The audited Aberdeen City Council accounts, including the group accounts will be approved by the Audit, Risk and Scrutiny Committee on 27 September 2022.

## Integration Joint Board

### 5. Links to ACHSCP Strategic Plan

5.1. Sustainable finance is highlighted as one of the fundamental elements which we need to develop further in order to meet all our strategic objectives. The audited annual accounts provide an independent opinion on the financial statements.

### 6. Management of Risk

#### 6.1. Identified risks(s) and link to risks on strategic risk register:

- **Strategic Risk 2:** There is a risk of financial failure, that demand outstrips budget and IJB cannot deliver on priorities, statutory work, and project an overspend.
- **Strategic Risk 4:** There is a risk that relationship arrangements between the IJB and its partner organisations (Aberdeen City Council and NHS Grampian) are not managed to maximise the full potentials of integrated & collaborative working. This risk covers the arrangements between partner organisations in areas such as governance; corporate service; and performance.
- **Strategic Risk 6:** There is a risk of reputational damage to the IJB and its partner organisations resulting from complexity of function, delegation and delivery of services across health and social care.
- **Strategic Risk 7:** There is a risk of failure to deliver transformation at a pace or scale required by the demographic and financial pressures in the system.

## Integration Joint Board

6.2. **How might the content of this report impact or mitigate these risks:**

The audited accounts are an important document for the IJB, demonstrating financial performance over the year and are independently audited. Recommendations could be received from the external auditors which impact on any of the strategic risks highlighted above.
