1g Context

Provide a summary of the body's nature and functions that are relevant to climate change reporting.

In line with the Public Bodies (Joint Working) (Scotland) Act 2014, Aberdeen City Council & NHS Grampian have integrated the planning & delivery of community health * social care services for adults and older people, along with criminal justice services. The strategic planning and monitoring of these have been delegated by the Council and the Health Board to the Aberdeen City IJB, which then directs the Council and Health Board to deliver these services in line with its strategic plan and defined level of financial resources. Most services are delivered for Aberdeen City, however some services are hosted by Aberdeen City on a pan-Grampian basis, on behalf of Aberdeenshire & Moray IJBs (for example sexual health services). Further details can be found in the Aberdeen City Integration Scheme, which can be found here <https://www.aberdeencityhsc.scot/globalassets/governance/aberdeen-city--integration-scheme-april-2018.pdf>
