6. REPORT

- As part of the celebration of the 600th anniversary of the battle of Harlaw, the monument is being repaired and cleaned and 6 plaques are being attached to it to commemorate the main parties.

It has been agreed that the Burgesses of Guild and the Seven Incorporated Trades would jointly fund one of the plaques at a cost of £1,000, i.e. £500 each. The Sub Committee is asked to agree the release of funds and arrange to have a cheque for £500 raised from Burgesses' funds payable to the Harlaw Monument Committee and sent to:

Charles Burnett, Ross Herald
Sea view House
PORTSOY
Banffshire AB45 2RS

The Dean of Guild will arrange to obtain a cheque from the Incorporated Trades for their share.

- In the past few years, the activity level of the Burgesses of Guild has risen considerably. We have also set up our own website on which we record events held with photographs where appropriate and photographs of all new Burgesses are put on the website.

We have been relying on a member's camera (and, on occasion, a mobile phone) to take photographs but, in many cases, are limited in the size and quality of photographs we can take. Therefore, we would like to purchase a camera for exclusive use by the Burgesses and which will be kept by Garry Stevens, Clerk to the Burgesses. We have identified a suitable camera which would cost approximately £350.

- Recently the Court of Deans of Scotland (there are 11 Guilds in Scotland) had its annual meeting and dinner in Aberdeen. This happens only every 11 years and, as part of the programme for the day, we took them on a tour of the city. The cost of the coach hire was £270 and we would request that this be met out of Burgesses' funds.
