### 1. PURPOSE OF REPORT

- 1.1 The purpose of this report is to provide the Committee with an update on Internal Audit's work since the last update. Details are provided of the progress against the approved Internal Audit plans, audit recommendations follow up, and other relevant matters for the Committee to be aware of.

### 2. RECOMMENDATIONS

It is recommended that the Committee:

- 2.1 Note the progress of the Internal Audit plan.
- 2.2 Note the progress that management has made with implementing recommendations agreed in Internal Audit reports, with none due as at 31 January 2023.

### 3. CURRENT SITUATION

- 3.1 Internal Audit's (IA) primary role is to provide independent and objective assurance on the North East Scotland Pension Fund's (NESPF), and Aberdeen City Council's (whose systems the NESPF relies on) risk management, control, and governance processes. Where this report focuses on the NESPF specifically, consideration has been given and reference will be made to the work we have carried out with the Council overall. This requires a continuous rolling review and appraisal of the internal controls of the Fund and the Council, involving the examination and evaluation of the adequacy of systems of risk management, control, and governance, making recommendations for improvement where appropriate. Reports are produced relating to each audit assignment and

copies of these are provided to the Pensions Committee and the Audit, Risk and Scrutiny (ARS) Committee.

3.2 This report is designed to provide an update to the Pensions Committee on the work of Internal Audit since our last update to the Committee.

Those not implemented by their agreed due date are detailed in the attached appendices.

#### **8. OUTCOMES**
