## ABERDEEN LOCAL LICENSING FORUM WORKPLAN AS AT DECEMBER, 2010

## <u>Licensing Objectives (for reference)</u> –

- (1) Preventing Crime and Disorder,
- (2) Securing Public Safety,
- (3) Preventing Public Nuisance,
- (4) Protecting and Improving Public Health, and
- (5) Protecting Children from Harm.

Remit of Local Licensing Forums as set out in the Licensing (Scotland) Act 2005 – keeping under review the operation of the Act in the Forum's area and in particular the exercise by the Licensing Board of their functions including giving advice and making recommendations to the Board in relation to those matters where the Forum considers it appropriate. The Act does not enable a Forum to review or give advice or make recommendations in relation to the exercise by a Board of their function in relation to a particular case. "Case" is taken to mean an application before a Board and in the interests of natural justice is also taken to mean individual licensed premises. The preferred route for consideration of complaints about the running of licensed premises is to write directly to the Clerk or Depute Clerk to the Licensing Board.

The Licensing (Scotland) Act 2005 requires Licensing Boards in exercising any of their functions to have regard to any advice given or recommendations made to them by a Local Licensing Forum and where the Board decides not to follow the advice or recommendation to give the Forum reasons for that decision, the Board must provide copies of relevant statistical information to the Forum as it may reasonably require for the purposes of its general functions.

Licensing Standards Officers have a general function of providing to interested persons information and guidance concerning the operation of the Act, supervising compliance with the Act and the conditions of their licences by holders of Premises Licences and Occasional Licences and mediate between communities and the trade or between any two parties where there is a need to resolve a local problem and develop a local solution. LSOs do not act as "policemen" with regard to licensing but they will liaise with the police and other relevant officials such as Environmental Health Officers in pursuit of the objectives of the Act.

Although information on staffing levels elsewhere in Scotland may be out-of-date there is no doubt the majority of local authority areas employ more than one Licensing Standards Officer.  The Forum at its meeting on 25/2/10 noted the response set out in this Plan but agreed to | was received on behalf of the relevant Head of Service (Housing and Environment) in the City Council. The views of the Clerk to the Licensing Board were also sought.
