

Dear Mr Webster,

I refer to your letter of 29 April 2011.

The Cults Bielside and Milltimber Community Council has the following alcohol related issues for the Forum to discuss with the Licensing Board:

- a) CBMCC would like to limit the number of licenced outlets in Cults, Bielside and Milltimber i.e. no more additional licences to be issued.
- b) Checks on licenced premises should be intensified to make sure sale of alcohol not being made to under age drinkers. This may help to prevent/limit uncontrolled drinking bouts in Allan Park, the Cults bike park and other gathering places during the summer months.

Yours sincerely

Guus Glass  
Secretary CBMCC
