

Members will recall from the planning training sessions held, that there is a statutory requirement through Sections 25 and 37 of the Town and Country Planning (Scotland) Act 1997 for all planning applications to be determined in accordance with the provisions of the Development Plan unless material considerations indicate otherwise. All Committee reports to Planning Development Management Committee are evaluated on this basis. It is important that the reasons for approval or refusal of all applications and any conditions to be attached are clear and based on valid planning grounds. This will ensure that applications are defensible at appeal and the Council is not exposed to an award of expenses.

Under Standing Order 29.11 the Convener can determine whether a motion or amendment is competent and may seek advice from officers in this regard. With the foregoing in mind the Convener has agreed to the formalisation of a procedure whereby any Member wishing to move against the officer recommendation on an application in a Committee report will be required to state clearly the relevant development plan policy(ies) and/or other material planning consideration(s) that form the basis of the motion against the recommendation and also explain why it is believed the application should be approved or refused on that basis. The Convener will usually call a short recess for discussion between officers and Members putting forward an alternative to the recommendation.
