- None

The applicant has accepted the External Areas Conditions.

POLICY

Supplementary Policy – Licensed Hours

Whilst all applications will be dealt with on their own merits the Board considers it necessary for the promotion of the licensing objectives to set parameters with respect to licensed hours. Any application seeking hours outwith those detailed below will be expected to satisfy the Board that there are legitimate grounds for departing from policy and demonstrate that the granting of such hours would not be contrary to the licensing objectives.

Supplementary Policy – External Drinking Areas

The Board recognises that the incorporation of outdoor areas within the licensed footprint of premises can enhance the operation of such premises but considers that it also attracts additional responsibilities on the part of the licence holder to uphold the licensing objectives.

Before an application to licence an outdoor area will be considered the area in question must benefit from the necessary planning permission and, if required, a pavement permit from the Roads Department of Aberdeen City Council.

All outdoor areas must be delineated on the layout plan forming part of the premises licence and outdoor drinking should be included as an activity within the body of the licence.

The Board will expect premises who currently utilise unlicensed outdoor areas to incorporate such areas within the premises licence by way of variation.

Applicants and licence holders must demonstrate that the areas will not contravene the licensing objectives, in particular with regard to noise, litter and antisocial behaviour. The areas must be regularly monitored, and glassware removed.

The Board will routinely attach additional conditions where an outdoor area is licensed including but not restricted to:

- Outdoor area to be clearly demarcated onsite.
- Use of the area to cease at 2200 hours.
- No amplified music or entertainment to take place in the outdoor area.

The terminal hour may be further restricted, and drinks may be required to be decanted into alternatives to glassware if appropriate.
