Dear Andrew,

## Town and Country Planning (Scotland) Act 1997 Notice of Intention to Adopt – Aberdeen City Council Local Development Plan (as modified)

I refer to your correspondence of 15<sup>th</sup> December 2022, regarding Aberdeen City Council's intention to adopt the proposed Aberdeen City Council Local Development Plan (as modified).

Scottish Ministers have decided that the proposed plan as notified is unsatisfactory and hereby direct under section 20(5) of the Town and Country Planning (Scotland) Act 1997, that Aberdeen City Council consider modifying the proposed Aberdeen City Council Local Development Plan 2 as indicated in the Annex to this direction.

This direction is considered necessary to ensure the Local Development Plan takes account of the fact that National Planning Framework 4 (NPF4) has been adopted and that this replaces National Planning Framework 3 (NPF3) and Scottish Planning Policy (SPP), and that Strategic Development Plans (SDPs) have now ceased to have an effect and are no longer part of the development plan. The current proposed local development plan is considered to be unsatisfactory to the extent that it seeks to continue in effect policies that have been superseded by NPF4

Section 20(6) provides (subject to any further direction under section 20) that your authority may not adopt the Aberdeen City Council Local Development Plan 2 unless you satisfy Scottish Ministers that you have made the modifications necessary to conform with this direction, or the Scottish Ministers withdraw it.

I would be grateful if you would therefore confirm that your authority will modify the plan.

Yours sincerely

Allen Hughes Planning, Architecture and Regeneration Division
