Subsidiaries

Common Good

The Common Good is corporate property and must be applied for the benefit of the community as the Council thinks fit. It is invested in land and buildings, such as industrial estates and farms, with any surplus being placed on cash deposit, with £30m of accumulated cash invested in a multi-asset income fund managed by Fidelity.

The Common Good is currently showing an operational surplus at the end of Quarter 2 of £4,366k, however an overall surplus of £3,234k after taking account of capital investment transactions for the quarter. The full year, on budget, projection for operational activities means the forecast for the year reflects the projected reduction in the value of long-term investments as a result of revaluations - see Appendix 2. The financial statements for the quarter are shown in Appendix 3.

Trust Funds

The Council is responsible for the administration of various trusts created by bequest or evolved through history or by public subscription which are utilised for a variety of benefits such as education and social work, charitable purposes, religious instruction, medical institutions, and the upkeep of public works. The money earned from the investments of the Trusts is used to provide grants and awards to trust beneficiaries, prizes and dux medals for school children and requisites for clients in Social Work homes.

At the end of March 2023, the Trusts reported a net surplus of £503k.

The Trusts are not expected to have a material impact on the Council's financial position for 2023/24.

Sport Aberdeen

Sport Aberdeen Limited is a charity and constitutes a limited company, limited by guarantee. The principal activity of the company is the provision of recreation leisure facilities and services on behalf of Aberdeen City Council in accordance with key priorities. Although Aberdeen City Council does not own the entity, it is considered that control representing power to govern exists through agreements in place and that Sport Aberdeen Limited operates as a structured entity of the Council.

The results for the period ended 30th September show net surplus of £293k.

Bon Accord Care(BAC) and Bon Accord Support Services(BASS)

Bon Accord Care Limited (BAC) and Bon Accord Support Services Limited (BASS) are private companies limited by shares which are 100% held by Aberdeen City Council. The consolidated position of Bon Accord Care and Bon Accord Support Services shows a deficit of £62k against budget for the period ended 30th September 2023. This is mainly due to the impact of the accruals reflecting the current pay offer. At Q2 the consolidated forecast position for BAC and BASS is a break-even position for financial year 2023/24, although,

particularly because of the scale of the current pay offer this is only forecast in the context of active management of financial decisions and cost reduction across the whole of the year.

Aberdeen Heat and Power Ltd (AH&P Ltd)

AH&P Ltd is a company limited by guarantee and has no share capital. Aberdeen City Council is the sole member of AH&P which is a wholly owned subsidiary of the council guarantor. All AH&P board appointments are made by the Council as the sole member of AH&P Ltd.

The financial year end for ASV Ltd is not aligned to the Council's with its year end being 31 July. The account for the period ended 31st August 2023 showed that ASV Ltd reported a deficit of £182k. The share of the deficit being attributed to the Council is £91k. The Council has confirmed the funding level for the new contract year .

The purpose of this company is to establish a commercial hydrogen production, storage and distribution infrastructure for green hydrogen utilising renewable power to service transport in the short term. This will have the potential to be further expanded in future phases for the delivery of hydrogen power for a wide range of sectors looking to decarbonise, including fleet, heat and industry.
