1. Introduction from Convener

- 1.1 I am pleased to present the first annual effectiveness report for the Communities, Housing and Public Protection Committee (CHPPC). The annual effectiveness reports have been in place since 2017, following a recommendation made by CIPFA in their review of the Council's governance arrangements, namely that Committees review the extent to which they had operated within their Terms of Reference, through an annual report. The annual effectiveness report represents good practice in governance and also informs the annual review of the Council's Scheme of Governance, enabling officers to identify if any changes are required, for example, to the Committee Terms of Reference. The presentation of the annual reports was temporarily paused due to the disruption to committee meetings as a result of the pandemic, and then to allow time for the new committee structure to bed in following the local government elections in May 2022.
- 1.2 Aberdeen's diverse communities have made the city what it is today and the views of our communities should be at the heart of all we do as a Council. The Council is committed to listening to, and engaging with, communities throughout Aberdeen to ensure that we deliver the best possible outcomes for our citizens. High quality, affordable social housing for all who require it, is also key to ensuring we have a city which thrives and we are committed to providing housing which will meet the needs of citizens for years to come. The safety of the citizens of Aberdeen is a priority for the Council and the Committee allows a public forum for scrutiny, engagement and oversight of both Police Scotland and the Scottish Fire and Rescue Service.
- 1.3 As a new Committee, there were no changes made to the CHPPC Terms of Reference as part of the 2023 Scheme of Governance Review, however we will continue to monitor them over the next year to ensure they remain fit for purpose.
- 1.4 I would like to thank Members and officers for their contributions during the first year of the Committee. I would also like to thank my Vice Convener, Dell Henrickson, for his help and support and representatives of Police Scotland and the Scottish Fire and Rescue Service for their valuable input this year and we look forward to working with them next year.

Councillor Miranda Radley

6.2 Terms of Reference

6.2.1 The following chart details how reports aligned to the Terms of Reference (set out at section 2 above) for the Committee.

6.2.2 During the course of 2022/2023 the Committee received reports under most of the main Terms of Reference which indicates that the Committee has discharged its role effectively throughout the course of the reporting period. As is visible from the table, 16 reports fell under TOR 1.1.1, which is to oversee, and make decisions relating to, service delivery. There were also 6 reports which fell under TOR 2.20, which were reports from Scottish Fire and Rescue Service and Police Scotland in relation to service provision and delivery in Aberdeen.

6.2.3 As the committee structure was reviewed in late 2022, very few changes to the Terms of Reference were made following the June 2023 Scheme of Governance review. Any changes made were generally to provide clarity where required and ensure consistency between committees. The new Terms of Reference will continue to be monitored throughout the year, in preparation for the 2024 Scheme of Governance review.

9. Training and Development

9.1 Development opportunities for Members will be considered for next year based on Committee business throughout the year, Executive Lead proposals and Member feedback on what may be required to assist them in performing their roles.

10. Code of Conduct Declarations and Transparency Statements

- 10.1 No declarations of interest were intimated and one transparency statement was made by a Member during the reporting period. Information in respect of declarations of interest and transparency statements is measured to evidence awareness of the requirements to adhere to the Councillors' Code of Conduct and the responsibility to ensure fair decision-making.

11. Civic Engagement

- 11.1 During the course of the year there has been ongoing consultation with the public in respect of future library provision, as well as rent levels. Consultation is also to be undertaken in regards to city centre multi storey blocks.
- 11.2 Civic engagement is at the forefront of much of the business of the committee, particularly in respect of reports from Police Scotland and the Scottish Fire and Rescue Service and the Council working in partnership with them. Members have engaged with both Police Scotland and Scottish Fire and Rescue Service at meetings, requesting further information or reports to be brought back as necessary.

12. Executive Lead to the Committee – Commentary

- 12.1 Given the nature of the Committee business will often be of interest to the public, it is vital that reports are open and transparent and I am pleased to note that only one report was exempt and one report was confidential, which highlights that the vast majority of business was considered in the public domain.
- 12.2 The Committee will continue to work closely with Police Scotland and Scottish Fire and Rescue Service in order to undertake the Council's role in relation to the Police and Fire Reform (Scotland) Act 2012.
- 12.3 The Committee will also continue to receive assurance on the statutory and regulatory duties placed on the Council for public protection for areas such as Adult Support and Protection, Protective Services, Civil Contingency responsibilities for local resilience and prevention and also Building Control.

13. The Year Ahead
