

Deputation Relating to Exempt Report

item 14.1 - Site at Beach Esplanade – Proposed Alternative Use

The Council will be debating our clients application to acquire land at beach Esplanade on which to develop a holiday lodge park. We believe that the report being presented to the committee is being kept confidential (so confidential that my client doesn't know what is being recommended) and therefore my client is concerned that the elected members may not get the "full picture" of what is being proposed. In particular the client is concerned that the focus will be on Planning (which the committee is not empowered to vote on).

Our client wishes to request he be given a deputation for Item 14.1 (The Lodge Park site).

Our client Mr Hamish McDonald of ABDN Limited would like to make representations at the meeting and also, if appropriate, take questions from the members before they vote.

Can you confirm that this can be facilitated and if so what the procedure is.

Yours sincerely,

Eric Shearer,
