### 3. CURRENT SITUATION

### **Annual Reports on Terms of Reference**

- 3.1 The annual committee effectiveness reports were introduced in 2018/19 following a recommendation from the Chartered Institute of Public Finance and Accountancy (CIPFA) as part of the Council's work towards securing that organisation's accreditation in governance excellence. The Terms of Reference set out that each committee will review its effectiveness against its Terms of Reference through the mechanism of the annual report.
- 3.2 The annual effectiveness reports were mentioned by CIPFA in their report which awarded the Mark of Excellence in Governance accreditation to Aberdeen City Council. CIPFA highlighted the implementation of the annual effectiveness reports as a matter of good practice in governance and were

encouraged that, during consideration of the reports at Committee and Council, Members had made suggestions for improvements to the reports in future years.

- 3.3 Data from the annual effectiveness reports is used to inform the review of the Scheme of Governance, ensuring that Committee Terms of Reference are correctly aligned, and identifying any areas of the Terms of Reference which had not been used throughout the year in order that they can be reviewed and revised if necessary. The information from the effectiveness reports has also been used in the past to feed into the Annual Governance Statement.
- 3.4 The reports provide a mechanism for each committee to annually review its effectiveness, including data on attendance, any late reports, referrals to Council and the number of times officer recommendations were amended, and to ensure that it is following its Terms of Reference.
- 3.5 Similarly, recording the sections or stretch outcomes of the Local Outcome Improvement Plan (LOIP) which apply to each report allows Members to be aware of the direct impact of any proposals before them on the LOIP, and gives a general overview at the end of each year of the number of reports which have had an impact on the LOIP stretch outcomes.
- 3.6 The annual effectiveness reports were delayed to allow the newly established committees to have a full year of data to report.
- 3.7 Any comments from Members on areas of data that should be considered would be welcomed to ensure that Members are presented with meaningful data.
- 3.8 The annual effectiveness report for 2022/2023 is therefore appended for Council's consideration.
- 3.9 Also appended are the annual effectiveness reports for the various committees which have been considered by the respective committees. The annual effectiveness reports have been noted at all committee meetings.
- 3.10 Section 14 of the Council annual effectiveness report provides combined data for all committees during the reporting period.
