Ms Swanson,

Following your letter dated 5 September 2011, I would like to request a deputation for the Committee meeting on 13 September 2011.

Yet again, I am astounded at the tone of the communiqué, particularly around the suggestion that the Council solely acts on behalf of one person's original highlighted concern, rather than the majority of Westbank, and the suggestion that we have no right to park on Fonthill Road, next to a wall actually, not outside anybody's property, and pay for the privilege, all adding to ACC funds.

Also, I am surprised at the inclusion of photographs submitted for another Committee in connection with objections to an HMO licence being granted, and the photographs of residents' cars parked on private property i.e. not owned by ACC.

Therefore, I would like to raise our concerns again to the Committee, reflect on the process that has taken us to this stage, in the hope of reason by the Committee, in not granting an extra three spaces.

Regards,

Shirley Henderson
