Hi Roddy

I would like to make a request for a deputation at next Tuesdays EI&P meeting.

Re:

.2

Motion by Councillor Kevin Stewart MSP

“That this Council agrees that a referendum on the future of Union Terrace Gardens be held after the City Garden design competition is completed, calls on officers to produce a report about the practicalities and costings of holding a postal ballot of all Aberdeen electors and asks officers to investigate sourcing funding for the referendum from bodies other than the Council.”

The outcome I would like to see is that the motion is accepted.

Also

4.9

Motion by Councillor Young

“Council agrees that in order to provide proper scrutiny over an area of land currently under the City Council’s direct control, and to ensure that no citizen or citizens of Aberdeen can accuse the Council of “losing control” over the City Garden Project, as well as to ensure beyond reasonable doubt that there will be a local democratic audit of plans for an area of the city centre that many Aberdonians care passionately about, Council undertakes without delay to determine a design brief to be provided to architects which meets the requirements of the citizens of Aberdeen as approved by elected members, the democratically elected guardians of this fine city.”

The outcome I would like to see is that the motion is accepted.

Yours
