Comments

I note that this application is for the Erection of single storey extension to front. The site is located in the outer city, outwith any controlled parking zone.

The existing driveway appears to be ~13m in length and the proposed extension extends 1.5m into this. As such, a driveway in excess of 10m would remain.

As there are no changes to parking provision or demand as a result of this proposal, there are no Roads concerns.
