REASON FOR DECISION

The reasons on which the Council has based this decision are as follows –

The use of PVC for the replacement of the existing timber door would neither preserve nor enhance the special character or historic and architectural interest of the listed building and would fail to preserve or enhance the character and appearance of the City Centre Conservation Area. The proposal is therefore contrary to Historic Environment Policy for Scotland, Policy 7 (Historic Assets and Place) and Policy 14 (Design, Quality and Place) of National Planning Framework 4, Policy H2 (Mixed Use Areas), Policy D1 (Quality Placemaking), Policy D6 (Historic Environment) and Policy D8 (Windows and Doors) of the Aberdeen Local Development Plan 2023, as well as Historic Environment Scotland's 'Managing Change in the Historic Environment' guidance on Doorways and the Council's Aberdeen Planning Guidance on The Repair and Replacement of Windows and Doors.

A full evaluation and account of the processing of the application is contained in the report of handling, which is available by entering the application reference number at <https://publicaccess.aberdeencity.gov.uk/>.
