- 2.2 note that the annual effectiveness reports of the committees have been, and are being, reported to the various committees from 5 November to 13 December 2024 inclusive.

3. CURRENT SITUATION

Annual Reports on Terms of Reference

- 3.1 The annual committee effectiveness reports were introduced in 2018/19 following a recommendation from the Chartered Institute of Public Finance and Accountancy (CIPFA) as part of the Council's work towards securing that organisation's accreditation in governance excellence. The Terms of Reference set out that each committee will review its own effectiveness against its Terms of Reference through the mechanism of the annual report.
- 3.2 The annual effectiveness reports were mentioned by CIPFA in their report which awarded the Mark of Excellence in Governance accreditation to Aberdeen City Council. CIPFA highlighted the implementation of the annual effectiveness reports as a matter of good practice in governance and were encouraged that, during consideration of the reports at committee and Council, Members had made suggestions for improvements to the reports in future years.

- 3.3 Data from the annual effectiveness reports is used to inform the review of the Scheme of Governance, ensuring that Committee Terms of Reference are correctly aligned, and identifying any areas of the Terms of Reference which had not been used throughout the year in order that they can be reviewed and revised if necessary. The information from the effectiveness reports has also been used in the past to feed into the Annual Governance Statement.
- 3.4 The reports provide a mechanism for each committee to annually review its effectiveness, including data on attendance, any late reports, referrals to Council and the number of times officer recommendations were amended, and to ensure that it is following its Terms of Reference.
- 3.5 Similarly, recording the sections or stretch outcomes of the Local Outcome Improvement Plan (LOIP) which apply to each report allows Members to be aware of the direct impact of any proposals before them on the LOIP, and gives a general overview at the end of each year of the number of reports which have had an impact on the LOIP stretch outcomes.
- 3.6 Any comments from Members on areas of data that should be considered would be welcomed to ensure that Members are presented with meaningful data.
- 3.7 The annual effectiveness report for 2023/2024 is therefore appended for Council's consideration.
- 3.8 Below are links to the annual effectiveness reports for the various committees which have been (or shortly will be) considered by the respective committees. At the time of publication of this report, the annual reports have been considered by nine of the ten committees, with the Pensions Committee still to meet on 13 December 2024.
